# Mission

To enable the organization of outstanding content on subjects of interest and relevance to a range of audiences while using the best professional practices and ensuring long term continuity.

# CEO'S Message

Dear Shareholders,

Financial year 2023 marks the year we celebrate our resilience and achievements amidst challenging circumstances. Despite the turbulent economic and political landscape that has gripped Pakistan in recent times, I am humbled to share encouraging results of your company's performance. We have witnessed an impressive growth in gross profits by 28 percent, while achieving record breaking 58 percent increase in net profits from last year reflecting the trust our business partners have placed in our brand and the dedication of our workforce.

In 2023, HUM TV not only maintained its position as one of Pakistan's top TV entertainment channels but also rose to become one of the leading News Channels in a short span of time since the launch of HUM News. We are committed to perfecting our content to cater to the everchanging consumer preferences with significant efforts directed towards key foreign markets of Europe and Middle East with an aim to further strengthen our linear viewership share.

The global entertainment industry is undisputedly being shaped by the rise of digital media and over-the-top (OTT) streaming services. In anticipation of this upward trend, we aspire to cater to the unique content preferences of diverse audience segments, positioning ourselves as the premier choice for the digital audience.

HUM Network Limited has recently completed the acquisition of a prominent sports channel, Ten Sports marking a significant milestone in our strategic growth. This strategic move enables us to expand our entertainment network portfolio, creating a well-rounded and comprehensive offering for our valued audience. This acquisition aligns perfectly with our vision to become a one-stop destination for unparalleled entertainment content, reaffirming our commitment to delivering top-notch programming and fostering a deeper connection with our ever-expanding audience base.

Moreover, to honor the hard work and commitment of our employees, we have introduced various employee medical and retirement initiatives which were widely appreciated within and outside alike. In addition to our commitment towards the employees of HNL, we also honor our social responsibilities to create meaningful impact within the communities we serve. During the year we have made generous donations towards improving public education and wellbeing of our fellow Pakistanis.

Lastly, I would like to extend my heartfelt gratitude to each and every one of you for your unyielding support and partnership on this extraordinary journey.

Mr. Duraid Qureshi Chief Executive Officer

# Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of HUM Network Limited (the Company) for the year ended 30 June 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2023.

# Chairman's Review Report

I am pleased to present the annual review as the Chairman of the Board of Directors of HUM Network Limited for the year ended June 30, 2023.

During the year under review, the economy sustained a subdued performance. However, HUM Network's unwavering commitment to competence and financial discipline aided us to gracefully navigate these most formidable challenges. In the face of adversity, Your Company not only experienced revenue growth but also achieved impressive profits. These remarkable accomplishments stand as a testament that the Board has performed their duties diligently while upholding the values and interest of the shareholders of the Company.

The Board of directors comprise of a rich mix of experience and expertise in the field of entertainment industry, finance and compliance. BOD members are well aware of their responsibilities while ensuring adequate policies and measures are in place which are in line with the vision of HNL.

Furthermore, the BOD has ensured that the financial disclosures are accurate and truly represent the affairs of the company. This accountability is enforced by the International Financial Reporting Standard (IFRS), Companies Act, 2017, Listing Regulations and others relevant laws and regulations. We have designed our corporate governance structure to ensure maximum compliance with legal and regulatory framework and meeting the information needs of our stakeholders. The Board has fulfilled all of their mandatory responsibilities including providing strategic direction to the management and ensuring compliance with all legal and regulatory requirements by the management of the Company.

The Board is constituted of Audit Committee and Human Resource and Remuneration Committee. These committees provided valuable input and assistance to the Board. The Audit Committee particularly focused on detailed review of financial statements and effectiveness of internal controls. Further, an annual evaluation of the Board of Director's overall performance is conducted to ensure compliance with the requirement of the Code of Corporate Governance and the Companies Act, 2017. On the basis of the feedback received through this mechanism overall role of the Board has been found to be effective.

I would like to appreciate and thank my fellow board members, shareholders, all our employees, lenders and loyal viewers for their continued efforts and support.

Mr. Mazhar-ul-Haq Siddiqui

In our unwavering pursuit of comprehensive growth and the expansion of our entertainment, news and current affairs, we remain committed to exceeding the expectations of our valued stakeholders. During the year, our net profits increased by staggering 58% from last year due to positive growth in all revenue streams especially in hum news and digital media sector revenues.

Throughout FY 2023, we made substantial investments in both our existing and novel ventures, driven by a robust diversification strategy. This strategic direction is guided by our overarching vision, one that is committed to fortifying our position in the present and harnessing the potential of future opportunities.

# **Principal Activities**

HNL distinguishes itself as a leading media network in Pakistan, committedly providing entertainment for nearly two decades. HUM, as a brand, has earned unparalleled admiration in Pakistan's media landscape, touching the lives of millions through its diverse range of channels and extensive distribution platforms worldwide, encompassing films, news, digital media, print, and live events.

Our broadcasting portfolio boasts an array of satellite channels, including HUM TV, HUM News, HUM Sitaray, HUM Masala in addition to our international channels, each beaming its captivating content to our audience globally. Amongst the most promising additions during the year, the most notable change involves the recent inclusion of Ten Sports, a renown sports channel, further diversifying our portfolio while broadening our range of content and offerings.

Beyond these stellar satellite channels, HNL places a strong emphasis on its diverse business divisions, encompassing Films, Digital Media, and Print Media, to create an exciting and dynamic range of offerings.

### The External Environment

Our company thrives within a dynamic and fiercely competitive landscape, where innovation, constant change, and the allocation of resources vary significantly among players in each business segment.

The landscape of the advertising industry is constantly evolving, presenting greater challenges as advertisers seek ever more innovative means to enhance their return on investment. Under current environment of financial pinch, the majority of multinational companies have diligently streamlined their advertising budgets. However, our network is uniquely poised to not only navigate this intensifying competitive arena but also sustain our market share, a testament to our strategic prowess and adaptability.

# **Operational Performance**

The network has managed to assert its dominance in the current year by entering into new business ventures, updated approach towards changing economic landscape all while achieving growth in operational revenues, viewership, and Television Rating Points (TRPs).

### **Hum TV**

Over the years, HUM TV has persistently been at the forefront of the entertainment industry, crafting compelling stories brought to life by talented ensembles that seamlessly blend exceptional writing, direction, and performances. This unwavering dedication has struck a deep chord with our viewers, drawing them into captivating narratives that illuminate the daily struggles of ordinary people while shedding light on pressing societal issues of our time.

In the present year, HUM TV has once again gifted our audience a rich tapestry of Pakistani dramas, soaps, and engaging tales. Notably, several dramas have taken the TRP charts by storm, including "Meesni," "Yunhi," "Muhabbat Gumshuda Meri," "Jhok Sarkar," and "Fareb," all of which have become prime-time sensations. With finesse, we address falsehoods, religious duplicity, feudalism, and infrastructure inadequacies while shining a spotlight on stories of power, politics, and justice.

Amongst most notable addition to screen this year, the enchanting storytelling of "Fairy Tale" captured the hearts of our audience to such an extent that we had to bring the cast back for a second season. This decision is a testament to the profound impact the show has had on its devoted fan base.

### **Hum News**

In times when misinformation is rampant, the access to truth becomes an imperative, Hum News has risen amongst the ranks of leading News channels for its steadfast dedication in providing impartial and evidence-based news. We prioritize data-driven journalism to ensure our audience stays well-informed with accurate and essential information

Our channel, committed to providing viewers with the latest and most relevant information, has recently unveiled a lineup of new shows hosted by some of the most respected and renowned anchorpersons in the industry. These seasoned journalists bring a wealth of experience and expertise to the screen, offering viewers a fresh perspective on current events and in-depth analysis of pressing issues.

# **Hum Sitaray**

The channel is positioned as a hybrid channel offering both narrative as well as format-based entertainment shows. The content mix consists of Dramas, Soap operas, fashion lifestyle shows, Celebrity talk shows and international contents.

### **Hum Masala**

Over the years HUM MASALA has truly become a household favorite, captivating audiences with their cherished celebrity chefs all the while consistently presenting exciting new culinary creations. During the year, HUM Masala presented a number of new cooking and informative shows while introducing new recipes, professional chefs, health consultants that made the channel a favorite of millions globally.

The "Masala Family Festival," the biggest family event in Pakistan, took place in Karachi and Lahore, serving as the focal point for celebrating HUM MASALA's 16th anniversary as South Asia's premier 24-hour cooking channel. The festival showcased a vibrant mix of musical performances, comedy acts, live cooking demonstrations, dancing and singing competitions, and a chance for attendees to interact with their beloved celebrity chefs.

# **Ten Sports**

Ten sports, newest addition to HUM Network portfolio, boasts a diverse lineup of events, from high-octane team competitions to individual sporting showcases, ensuring there's something for every fan. We're excited to bring you closer to your favorite athletes, coaches, and sports personalities, providing unprecedented access and insights into their journeys.

# **Digital Media Division**

The HUM Network's Digital Media division has diligently upheld our formidable presence across all key social media platforms including Facebook, Instagram, Twitter, and Youtube, a testament to the company's highly targeted and effective Social Media Strategy. We remain appreciative of all our digital partners for sponsoring our Awards shows and Dramas serials.

Direct sales (local web advertisers) have been another business avenue that has continued to grow significantly this year as we have open opportunities for digital sponsorship.

During the year "Fairy Tale" emerged as one of the most beloved shows, prompting trends and hashtags throughout social media platforms.

### **Hum Films**

In the vibrant world of HUM Films, where the magic of storytelling unfolds on the grand canvas of the silver screen, our primary mission is to whisk you away into a captivating realm of narratives.

During the year HUM Films showcased multiple blockbusters, including "John" a twist to crime dramas whereas hit release of Eid, "Money Back Guarantee," a riotous comedy that will have you laughing until your sides ache. Another notable blockbuster, "Teri Meri Kahaniyaan" weaved together tales of destiny, love, and the complexities of human relationships.

These movies are our way of sharing relatable and captivating stories, ones that will leave an indelible mark on your cinematic journey.

### **Bridal Couture Week (BCW)**

HUM Bridal Couture Week, which has been held annually since 2010, is the nation's most lavish and high-profile bridal event. This season's collection enveloped fans in the world of beauty, style, and pure couture magnificence, with its delicately embroidered lehengas and painstakingly made sherwanis.

For all the fashion lovers and brides-to-be seeking inspiration, HUM Bridal Couture Week offers an unparalleled experience with glamorous lineup of celebrities walked the ramp for numerous brands.

### **Hum Awards**

During the month of September 2022, a glittering extravaganza unfolded as the 8th Hum Awards took center stage, a vibrant celebration of excellence in music, fashion, and the captivating world of Hum Television Dramas throughout 2021-22. This star-studded event unfolded on the international stage of Canada and was broadcasted on Hum TV in December 2022, bringing the magic to screens around the world.

However, the glamour wasn't the only highlight of the evening. In a heartfelt act of corporate social responsibility (CSR), a portion of the awards' ticket revenue was devoted to aiding the victims of the devastating 2022 Pakistan floods, demonstrating that the power of art and entertainment can touch lives and make a difference.

### **Hum Women Leaders Awards**

In February 2023, the illustrious Jinnah Convention Center in Islamabad was ablaze with the brilliance of the fourth edition of the Hum Women Leaders Awards. This grand event celebrated the achievements of extraordinary women, both on a national and international stage, who have excelled in diplomacy, social work, education, healthcare, human rights, and journalism.

The ceremony was an enchanting gathering, graced by the presence of none other than President Dr. Arif Alvi himself, along with a constellation of notable dignitaries and public figures from Pakistan. It was an evening that radiated inspiration and empowerment.

# **Human Resource Management**

The Network views its human resource as the most valuable asset and pays special attention towards developing an atmosphere which fosters growth, high performance, adherence to organizational values and business ethics.

### **Core Values**

HUM Network Limited is continuously striving to provide an enabling corporate and social work environment to its employees as this helps them to work in complete harmony in a healthy and professional way.

For this very purpose the HUM Network Family has developed the following core values.

- 1. Integrity & Honesty
- 2. Respect for All
- 3. Commitment/Dedication/ Ownership
- Accountability & Objectivity
- 5. Team Work
- 6. Discipline
- 7. Safety/Health & Hygiene

We adhere to the above core values in all the initiatives that we undertake as this helps in promoting a culture of fairness, objectivity and teamwork.

# **Risk Management**

Our company boasts a reliable Risk Management framework designed not only to identify and assess potential risks but also to recognize advancement opportunities. This comprehensive system is meticulously crafted to enhance transparency, safeguard our business objectives, and fortify our competitive edge.

In the ever-evolving landscape of our industry, we recognize the significance of addressing not only internal but also external and regulatory risks. Our risk framework plays a pivotal role in quantifying our exposure and potential impact at a company-wide level. This approach ensures that we are well-prepared to navigate the challenges and capitalize on the opportunities that come our way.

### **Industry Risk**

Entertainment industry is highly competitive with ever changing audience demands and trends creating an environment of stiff competition with domestic as well as international players all competing for the audience time.

With increasing availability of affordable internet plans, smart phones and laptops, digital media sector has ballooned to new heights piquing the interest of many new entrants in the industry along with ever increasing migration of media sponsors to digital media from television. In response to rapid growth in digital sphere, the Company has developed a digital media strategy to make most of this opportunity.

### **External Risk**

The advertisement revenues of the media industry are inextricably linked to the economic growth of the country. Poor macro-economic environment can adversely impact the advertising revenues of the Company, which is the largest component of our revenues.

Higher inflation rates coupled with record high monetary rates have severely increased the cost of doing business. Further our country has a running Current Account Deficit (CAD) which heavily impacts PAK-USD currency disparity and fluctuation. Any further disturbance in any of these factors will have a massive impact on our declining economy, thus affecting our revenues and expenses.

### Regulatory Risk

Any changes in law and regulations could have a material impact on the revenues and cost of doing business for the Company.

# **Cash Flow and Liquidity**

The Company is constantly monitoring the cash flows to ensure overall liquidity. The Company was able to manage its operating cash flows by ensuring tight credit controls and reduced indirect costs over the course of the year. The Company also managed to reap interest and foreign exchange rates gains taking advantage of hedging opportunities.

# **Corporate Social Responsibility**

The board is committed to Corporate Social Responsibility (CSR) and integration of sound social practices in Company's day-to-day business activities.

This year, our company has taken up on itself to make a meaningful contribution in the lives of underprivileged children by taking responsibility of their education. Education is a powerful tool for breaking the cycle of poverty and providing hope for a brighter future, unfortunately, many children in our community lack access to quality education due to financial constraints. Understanding the need, HUM Network has made a generous amount of donation in addition to committing a portion of each year's annual net profits for the education of underprivileged children. The donations made shall be utilized to support 15 schools in Karachi, adopted by Momina & Duraid Foundations to provide quality education to underprivileged children.

In 2022 our country suffered one of the worst devastations caused by floods during the extended monsoon seasons. Along with the tragic loss of human life which was reported to be over a thousand, the floods had swept away livestock, crops and infrastructure worth billions. HUM Network initiated a flood relief campaign 'HUMDard' in association with Momina & Duraid Foundation where we conducted a telethon on September 4, 2022 live from Karachi and Islamabad to raise funds and relief goods for the flood affected. The management and the employees of HNL also donated their one-day salaries for the relief efforts.

As a part of our annual CSR activity, HNL collaborated with Fatimid Foundation and conducted a blood donation drive. It proved to be a great success and HUM family members participated actively in the event.

This year on Independence Day, HUM Network Limited launched a campaign HUMSE PAKISTAN, sharing a compelling message of optimism, cooperation and unity in overcoming challenges faced by our nation. This campaign aims to showcase the inspiring narratives of ordinary Pakistanis who have proactively initiated positive transformations within their communities.

# **Employee Training & Development**

As part of our annual appraisal exercise, each employee is assessed and counseled on individual basis. Training sessions are arranged on the basis of needs identified which creates growth opportunities for employees and provide us with highly motivated and trained resource.

# Status Of The Board During The Year

The term of Board expired on August 22, 2020 and fresh election was scheduled for August 2020. Since the number of eligible candidates were equal to the number of directors fixed for election, the Company made the announcement on August 13, 2020 under section 159(4) of the Companies Act, 2017. The aforesaid election of directors was questioned by the ineligible candidates. Consequently, the elected directors also filed a Suit. The Honorable Sindh High Court through Order dated: 21.08.2020 has directed the Company that the elections scheduled to be held on August 22, 2020 would be postponed and rescheduled subject to the final decision by the learned single Judge of CMA No. 6787 of 2020 in Suit No. 968/2020. The final decision of the court is still awaited.

However, upon clarification from the SECP and after placing said clarification on record with the Honorable High Court of Sindh, the Company proceeded with the previous Board to carry out its statutory functions till the final decision of the Honourable court and appointment of their successors.

# **Future Prospects & Challenges**

Political instability and economic turmoil continue to ravage the economic growth in Pakistan. In addition, declining exports, a balance of payments crisis and sinking exchange rate has discouraged foreign investment while making it difficult for local businesses to operate. We hope the expected elections will create a more stable and predictable economic environment for businesses and investors.

We also view that the future of the entertainment industry undeniably hinges on the transformative power of digital media and over-the-top (OTT) streaming services. These dynamic forces are reshaping the landscape, offering a tantalizing glimpse into what lies ahead. As industry leaders, we recognize the boundless potential and are unwaveringly focused on harnessing it for several compelling reasons.

Through HUM News we have an opportunity to evolve and thrive in the digital age by embracing innovation, upholding journalistic standards, and responding to the changing needs and preferences of our audiences. As long as we continue to provide credible, diverse, and engaging content, our future prospects remain positive.

In light of these circumstances, our company's management is diligently focusing on a multifaceted strategy. This includes diversifying our income sources, optimizing cost structures, enhancing operational efficiency, and ramping up our sales endeavors. The recent acquisition of Ten sports is a step towards achieving the diversification which presents an exciting opportunity for significant revenue growth. With the ever-increasing demand for sports content, we are optimistic that this strategic move positions us to tap into a thriving market.

Our immense pride in HUM Network's esteemed status as a premier entertainment provider, built through years of unwavering dedication and hard work, fuels our commitment. We are resolutely dedicated to delivering a premium entertainment experience that delights both our cherished viewers and valued stakeholders.

# **Credit Rating**

The Pakistan Credit Rating Agency Limited (PACRA) maintained the long-term and short-term entity ratings of Hum Network Limited at "A+" and "A1", respectively. These ratings denote a low expectation of credit risk and the network's established market position.

# **Board Composition & Remuneration**

Composition of the Board and the names of members of Board Committees may be referred to Statement of Compliance with CCG.

Furthermore, the Board of Directors has a formal policy and transparent procedures for remuneration of its directors in accordance with Companies Act 2017 and the Listed Companies (Code of Corporate Governance) Regulations 2019.

# Pattern Of Shareholding

Pattern of shareholding as on June 30, 2023 is annexed with the annual report.

# **Meeting Of The Directors**

During the year, four [4] Board of Directors, four [4] Audit Committee and two [2] Human Resource & Remuneration (HR & R) Committee meetings were held.

Attendance by each Director was as follows:

| Name of Director              | Board of Directors<br>Attendance | Audit Committee<br>Attendance | Human Resource and Remuneration |

تر قی اورا پنی تفرج ، خبروں اور حالات حاضرہ کو وسعت دینے کی کوششوں میں ہم اپنے قابل قدراسٹیک ہولڈرز کی توقعات پر پورا اترنے کیلئے پرعزم ہیں۔ رواں سال ہمارے خالص منافع میں گذشتہ سال کے مقابلے میں 58 فیصد کا اضافہ ہوا جس کی وجہ سے آمدنی میں خاص طور پر ہم نیوز اور ڈیجیٹل میڈیا سیکٹر کی آمدنی میں اضافہ ہوا۔

مالی سال 2023 کے دوران، ہم نے اپنی حکمت عملی کے ذریعے اپنے موجودہ اور نئے دونوں منصوبوں میں خاطرخواہ سرمایہ کاری کی۔اس حکمت عملی کی رہنمائی ہمارے وسیع نظریہ سے ظاہر ہوتی ہے، جو کہ موجودہ وقت میں ہماری پوزیشن کومضبوط کرنے اورمستقبل کے مواقع کے امرکانات کوبروئے کارلانے کے لیے پرعزم ہے۔

# اجم سرگرمیان:

ا پچ این ایل بلاشبہ پاکستان کے معروف میڈیا نیٹ ورکس میں سے ایک ہے اور دود ہائی سے زائد عرصے سے بنیا دی طور پر تفریخ فراہم کرنے والا رہا ہے۔ہم ، ایک برانڈ کے طور پر ، دنیا بھر میں فلموں، خبروں ، ڈبجیٹل میڈیا ، پرنٹ اور لا نیوانیٹس پرشتمل اپنے متنوع چینلز اور وسیع ڈسٹری ہیوشن پلیٹ فار مز کے ذریعے لاکھوں لوگوں کی زندگیوں میں پاکستان کے میڈیا کے منظر نامے میں بے مثال پذیرائی حاصل کر چکا ہے۔

ہمارابراڈ کاسٹنگ پورٹ فولیوہمارے بین الاقوامی چینلز کےعلاوہ ہم ٹی وی، ہم نیوز، ہم ستارے، ہم مصالحہ سمیت سیٹلا ئے چینلز کی ایک صف کا حامل ہے، ہرایک عالمی سطح پر ہمارے سامعین کے لیے اپنا دککش کونٹینٹ پیش کرتا ہے۔ رواں سال سب سے زیادہ قابل ذکر تبدیلی میں ٹین اسپورٹس، ایک مشہور اسپورٹس چینل کی شمولیت شامل ہے، جو ہمارے کونٹینٹ اور پیشکش کی حدکووسیع کرتے ہوئے ہمارے پورٹ فولیوکومز بدمتنوع بناتی ہے۔

ان شاندارسیطا ئے چینلز کےعلاوہ، آنچ این امل اپنے مختلف کاروباری شعبول کوخاص اہمیت دیتا ہے، جن میں فلمیں ، ڈیجیٹل میڈیا،اور پرنٹ میڈیا شامل ہیں۔اس فقط نظر کامقصد پیش کشوں کی ایک سنسنی خیزاور ہمیشہ تیار ہوتی ہوئی صف پیدا کرنا ہے۔

# بيرونی ماحول:

ہماری کمپنی ایک متحرک اورانتہائی مسابقتی منظرنا ہے میں پروان چڑھتی ہے، جہاں جدت مسلسل تبدیلی ، اوروسائل کی تقسیم ہرکاروباری طبقے کے افراد کے درمیان نمایاں طور پرمختلف ہوتی ہے۔

ایڈورٹائزنگ انڈسٹری کامنظرناممسلسل تبدیل رہاہے،جس سے بڑے چیلنجز پیدا ہورہ ہیں کیونکہ مشتہرین اپنی سرمایہ کاری پروالیسی کوبہتر بنانے کے لیے تیزی سے اختراعی طریقے تلاش کررہے ہیں۔ موجودہ مالیاتی طور پرمشکل ماحول میں، زیادہ ترمائی پیشل کمپنیوں نے تندہی سے اپنے اشتہارات کے بجٹ میں کی کے ہے۔ بہرحال، ہمارانیٹ ورک ندصرف اس بڑھتے ہوئے مسابقتی میدان میں تشریف لے جانے کے لیے بلکہ اپنے مارکیٹ شیئر کو برقر ارر کھنے کے لیے غیر معمول طور پراچھی پوزیش میں ہے۔ یہ ہماری اسٹراٹیجک مہارت اور موافقت کا ثبوت ہے۔

# عملی کارکردگی:

موجودہ سال میں، نیٹ ورک نے نئے کاروباری منصوبوں میں داخل ہوکر، انجرتے ہوئے اقتصادی منظرنا ہے کے لیے اپنے نقطہ نظر کواپناتے ہوئے، اوراس کے ساتھ ساتھ آپیشنل رلیے نئو ، ویورشپ، اور ٹیلی ویژن ریٹنگ پوئنٹس (ٹی آرپی ) میں ترقی حاصل کر کے کامیابی سے نمایاں مقام حاصل کیا۔

# ہم ٹی وی

گئ سالوں ہے، ہم ٹی وی تفریحی صنعت میں مسلسل ایک رہنمار ہاہے، جو باصلاحیت کاسٹ کے ذریعے جانداردکش کہانیاں تخلیق کرتا ہے جوشاندارتح ریر، ہدایت کاری اور پرفارمنس کومہارت کے ساتھ کیجا کرتی ہے۔اس غیر متزلزل لگن نے ہمارے ناظرین کے ساتھ گہرارابطہ قائم کیا ہے، انہیں دکش کہانیوں کی جانب راغب کیا ہے جو عام افراد کو در پیش روزمرہ کے چیلنجوں پر روثنی ڈالتی ہے اور ہمارے دور کے اہم معاشرتی مسائل کوحل کرتی ہے۔

دوران سال، ہم ٹی وی نے ایک بار پھر ہمارے ناظرین کو پاکستانی ڈراموں، سوپ اوردل چپ کہانیوں کی متنوع صف پیش کی ہے۔قابل ذکر بات یہ ہے کہ گی ڈراموں نے ٹی آر پی چارٹ برطوفان بر پاکیا، جن میں ''میسنی'''' یونہی'' محبت کمشدہ میری''، ''جھوک سرکار''اور''فریب' شامل ہیں۔ بیتمام پرائم ٹائم شنسنیشن بن چکے ہیں۔ ہم نفاست کے ساتھ، طاقت، سیاست اورانصاف کی کہانیوں پر روشنی ڈالتے ہوئے جھوٹ، فہ ہمی دو غلے بین، جاگیرداری، اور بنیادی اسٹر کچرکی خامیوں کودورکرتا ہے۔

اس سال ہماری اسکرین پرسب سے زیادہ قابل ذکر اضافہ' فیری ٹیل' کی دل گرفت میں بسنے والی کہانی تھی جس نے ہمارے سامعین کے دلوں کواس حد تک موہ لیا کہ ہم نے دوسرے سیزن کے لیے کاسٹ کووالپس لانے کافیصلہ کیا۔ بیا نتخاب اس شوکے گہرے اثرات کے ثبوت کے طور پر کام کرتاہے جواس کے سرشار مثبت اثرات پر پڑاہے۔

# ہم نیوز:

ایک ایسے دور میں جس میں وسیع پیانے پرغلط معلومات پھیلی ہوئی ہوں ،سپائی تک رسائی انتہائی اہم ہوجاتی ہے۔ہم نیوز غیر جانبدارانہ اور تھائق پر بینی خبریں فراہم کرنے کے اپنے غیر متزلزل عزم کی وجہ سے نیوز غیر بنا در است اورا ہم معلومات سے باخبر رہیں۔ہمارے چینل نے ،جوناظرین کے نیوز عینلز کے اعلی ورجے پر پہنچ گیا ہے۔ہم اعدادو ثار سے چلنے والی صحافت کواس بات کی صانت دیتے ہیں کہ ہمارے سامعین درست اورا ہم معلومات سے باخبر رہیں۔ہمارے چینل نے ،جوناظرین کو حوالے معلی انڈسٹری کے کچھ معزز اور معروف اینکر کی میز بانی میں سنے شوز کی ایک لائن اپ متعارف کرائی ہے۔ یہ تجربہ کا رصحافی اسکرین پر تجربے اور مہارت کاخزانہ لاتے ہیں ، جوناظرین کوموجودہ واقعات پر ایک تازہ نقطہ نظر اور اہم مسائل کا گہرائی سے تجزیفر اہم کرتے ہیں۔

# ہم ستارے:

چینل کوایک ہا ئبر ڈچینل کےطور پررکھا گیاہے جو بیانیہ کےساتھ ساتھ فارمیٹ پرمٹنی تفریکی شوپیش کرتاہے۔جس میں کئی ڈرامے،سوپاوپیراز،فیشن لائف اسٹائل شو،ٹاک شواورانٹرنیشنل پروگرام پیش کئے گئے ہیں۔

# ہم مصالحہ:

روال سال ہم مصالحہ قیقی طور پرگھرانوں کے لیےا یک پیندیدہ انتخاب بن گیا ہے، جوسامعین کواپنے پیندیدہ شہور شیفوں کے ساتھ متحارف کروائی، جس سے چینل کو دنیا بھر میں لاکھوں لوگوں میں ساتھ مصالحہ نے نئی ترکیبیں اور بیشہ ورشیفوں کے ساتھ ساتھ مسالتھ کھانا پکانے اور معلوماتی شوز کی ایک ریٹج متعارف کروائی، جس سے چینل کو دنیا بھر میں لاکھوں لوگوں میں پیندیدہ بنادیا گیا۔

پاکستان کاسب سے بڑا فیملی فیسٹیول''مصالحی فیسٹیول'' کراچی اور لا ہور میں منعقد کیا گیا جوہم مصالحہ کی ۱۲ ویں سالگرہ کو جنوبی ایشیاء کے سب سے بڑے ۲۴ کھنٹے کھانا پکانے والے چینل کے طور پر منانے کیلئے مرکزی نقطہ کے طور پر کام کرتا ہے۔ اس فیسٹیول میں میوزیکل پر فارمنس، جادواور کامیڈی سیکمنٹس، کھانا پکانے کے لائیومظا ہرے، ڈانس اور گانے کے مقابلے اور اپنے پیندیدہ مشہور شیفس سے ملنے کاموقع شامل تھا۔

# ٹین اسپورٹس:

ہم نیٹ ورک پورٹ فولیومیں تازہ ترین اضافہ ٹین اسپورٹس ہے جوانوٹس کی ایک منتوع ریٹے پیش کرتا ہے، جو کہ توانائی کی حامل ٹیم کے مقابلوں سے لے کرانفرادی کھیلوں کے شوکیس تک تھیلے ہوئے ہیں، جو ہر کھیل کے شائقتین کے لیے پچھ نہ پچھ ضانت دیتا ہے۔ہم آپ کو آپ کے پہندیدہ استھلیٹس ،کو چز،اور کھیلوں کی شخصیات کے قریب لانے کے لیے پر جوش ہے، جوان کے سفر میں بے مثال رسائی اور بصیرت پیش کرتے ہیں۔

# ﺋ<sup>ﯩﺠ</sup>ﯩﻴﯩﯔﻣﯩ<u>ڋ</u>ﻳﺎﺩﻭﯨ<u>ﺮ</u>ﻩﻥ:

ہم نیٹ ورک کے ڈیجیٹل میڈیا ڈوبڑن نے فیس بک،انسٹا گرام،ٹویٹراور بوٹیوب سمیت تمام بڑے سوشل میڈیا پلیٹ فارمز پراپنی موجود گی کومسلسل برقر اررکھا ہے۔ بیکپنی کی انتہائی توجہ مرکوز اور کا میاب سوشل میڈیا حکمت عملی کا ثبوت ہے۔ہم اپنے تمام ڈیجیٹل پارٹنرز کے ہمارےا یوارڈ شوز اورڈ رامہ سیریز کواسپانسر کرنے کے لیےشکرگز اربیں۔

براہ راست فروخت (مقامی ویب مشتهرین) ایک اور کاروباری راستدر ہاہے جس میں اس سال نمایاں اضافہ ہواہے کیونکہ ہمارے پاس ڈیجیٹل اسپانسرشپ کے تھلے مواقع ہیں۔

روال سال د فیری ٹیل 'سب سے پیندیدہ شوز میں سے ایک کے طور پر ابھرا،جس نے سوشل میڈیا پلیٹ فارمز پر رجحانات اور ہیش ٹیگر کوفر وغ دیا۔

# ہم فلمز:

ہم فلمز مے متحرک دائرے میں، جہاں کہانی سنانے کافن سلوراسکرین کے وسیع کینوس پرا بھرتا ہے، ہمارا بنیا دی مقصد آپ کو داستانوں کی ایک مسحور کن دنیا میں لے جانا ہے۔

رواں سال ہم فلمز نے کی بلاک بسٹر زفلمیں پیش کیں، جن میں'' جان' بھی شامل ہے، جس نے کرائم ڈراموں میں ایک منفر دموڑ پیش کیا، اورعید پر ریلیز ہونے والی ہٹ ریلیز''منی بیک گارنی'' ایک مزاحیہ کامیڈی فلم ہے جوآپ کو بےساختہ ہننے پرمجبور کردےگی۔ایک اورقابل ذکر بلاک بسٹر'' تیری میری کہانیاں' نے قسمت، محبت اورانسانی رشتوں کی پیچید گیوں کی کہانیوں کومہارت سے جوڑا ہے۔

یا لمیں متعلقہ اور دکش کہانیاں شیئر کرنے کا ہمارا طریقہ ہیں، جوآپ کے سنیما کے سفر پرانمٹ نقوش چھوڑیں گی۔

# برائيڈل کوچرو يک (بي سي ڈبليو):

ہم برائیڈل کو چرو یک جو 2010 سے ہرسال منعقد کیا جاتا ہے، ملک کا سب سے شاندار اور اعلی پروفائل برائیڈل ایونٹ ہے۔ اس سیزن کے کلیشن نے شائقین کوخوبصورتی ، انداز ، اور خالص لباس کی خوبصورتی کی دنیا میں اپنے دکش امبرائیڈری کہنگوں اور بڑی محنت سے بنائی ہوئی شیروانی کے ساتھ گھیرلیا۔

فیشن سے محبت کرنے والے تمام شائفین کے لیے حوصلہ افزائی کی تلاش میں،ہم برائیڈل کو چرو بک ایک بے مثال تجربہ پیش کرتا ہے جس میں متعدد برانڈز کے لیےریمپ پر چلنے والی مشہور شخصیات کی گلیمرس لائن اپ ہے۔

# ہم اسٹائل ایوارڈز:

ستبر ۲۲ بی از مہ مینے میں، ۸ ویں ہم ابوار ڈز کے دوران ایک شاندار تقریب منعقد کی گئی جس میں ۲۲ <u>۲۰ ۲</u> ء کے دوران موسیقی، فیشن اور ہم ٹیلی ویژن ڈراموں کے دکش دائرے میں بہترین کارکر دگی کا جشن منایا گیا۔ ستاروں سے سجاس ابونٹ نے کینیڈ امیں بین الاقوامی سطح پراپنی جگہ بنائی اورا سے دسمبر ۲<u>۰ ۲ می</u>ں ہم ٹی وی پرنشر کیا گیا، جس نے اپنے جادو سے دنیا بھر کے سامعین کو مسحور کر دیا۔

لیکن گلیمرشام کاواحدمرکز نہیں تھا۔ کارپوریٹ سابی ذمہداری (سیالیس آر) کے دل کوچھونے والے ڈسپلے میں ،ایوار ڈ زے ٹکٹ کی آمدنی کا ایک حصر ۲<u>۳۲۲ء میں</u> پاکستان کے سیاب کے متاثرین کی مدد کے لیے وقف کیا گیا تھا۔اس سے ظاہر ہوا کرفن اورتفریح کااثر زندگیوں پراثر انداز ہوسکتا ہے اورا یک مثبت تبدیلی پیدا کرسکتا ہے۔

# تهم وومين ليدرز الواردز:

فروری ۲۰۲۳ء میں،اسلام آباد کا نامور جناح کونش سینٹر ہم ویمن لیڈرز ایوارڈ ز کے چوتھ ایڈیشن کی رونقوں سے جگرگااٹھا۔اس عظیم الشان تقریب میں تو می اور بین الاقوامی سطح پرغیر معمولی خواتین کی کامیا بیوں کا جشن منایا گیا،جنہوں نے سفارت کاری،ساجی کام تعلیم جحت کی دیکھ بھال،انسانی حقوق اور صحافت میں شاندار کارکردگی کامظاہرہ کیا۔

یہ ایک پروقارتقریب تھی جس میں کوئی اور نہیں بلکہ خودصدر مملکت ڈاکٹر عارف علوی، پاکتان کی متحرک تفریکی صنعت سے تعلق رکھنے والے قابل ذکر شخصیات اور روثن خیالوں کی موجود گی سے لطف اندوز ہوئے۔ بیا کیک الیی شامتھی جس نے خواتین کی حوصلہ افزائی کی اور انہیں بااختیار بنایا۔

# هيومن ريسورس مينجمنك:

# كار پوريك معاشرتي ذمه داري:

بورڈ کارپوریٹ ساجی فرمہداری (سی الیس آر) اور کمپنی کی روز مرہ کی کاروباری سرگرمیوں میں بہتر ساجی طریقوں کے انضام کے لیے برعزم ہے۔

اس سال، ہماری کمپنی نے پسماندہ بچوں کی تعلیم کی ذمدداری لے کران کی زندگیوں میں بامعنی حصہ ڈالنے کا بیڑاا ٹھایا ہے۔ غربت کوختم کرنے اور روش مستقبل کی امید فراہم کرنے کیلئے تعلیم ایک طاقتور ذریعہ ہے، بشتمتی سے ہماری کمیونٹی میں بہت سے بچے مالی مجبوریوں کی وجہ سے معیاری تعلیم تک رسائی سے محروم ہیں۔ اس ضرورت کو بیجھتے ہوئے، ہم نیٹ ورک نے ہرسال کے سالانہ خالص منافع کا ایک حصہ پسماندہ بچوں کی تعلیم میں دینے کے علاوہ عطید دیا ہے۔ دیے گئے عطیات کو کراچی کے ۱۵ اسکولوں کی مدد کے لیے استعمال کیا جائے گا، جنہیں مومنہ اور دورید فاؤنڈیشن نے بسماندہ بچوں کو معیاری تعلیم فراہم کرنے کے لیے اپنایا ہے۔

سال ۲۲۰ نیس ہمارے ملک کومون سون کے طویل موسموں کے دوران سیلاب کی وجہ ہے ہونے والی بدترین تباہی کا سامنا کرنا پڑا۔ ایک ہزار سے زائدانسانی جانوں کے المناک نقصان کے ساتھ ساتھ ساتھ ساتھ سے ساتھ ساتھ سے موستہ ہم دور 'شروع کی جہال ہم نے ہم تبر ۲۲۰ میر کا بیٹو کے ساتھ سے کے موستہ سے موستہ ہم دور نشروع کی جہال ہم نے ہم تبر ۲۰ میر کا بیٹو کے ساتھ سے ساتھ سال کرسیلاب ریلیف مہم 'جہم در و' شروع کی جہال ہم نے ہم تبر ۲۰ میر کر بیوں مالی سے میں شروع کی جہال ہم نے ہم تبر کا بیٹو اور المدادی سامان اکٹھا کیا جا سے ایک انتظامیہ اور ملاز میں نے بھی اپنی ایک دن کی ساتھ المیں موسیوں کے لیے عطیہ کی ہے۔

اس سال یوم آزادی پر، ہم نیٹ ورک کمیٹڈ نے''ہم سے پاکستان' مہم کا آغاز کیا،جس میں ہماری قوم کو درپیش چیلنجوں پر قابو پانے کے لیےامید، تعاون اور اتحاد کا ایک زبردست پیغام دیا گیا۔ اس مہم کا مقصد عام پاکستانیوں کی متاثر کن داستانوں کو ظاہر کرنا ہے جنہوں نے اپنی برادر یوں میں مثبت تبدیلیوں کا آغاز کیا ہے۔

# ملاز مین کی تربیت اور ترقی:

ہماری سالانتشخیصی مشق کے حصے کے طور پر، ہرملاز مکا انفرادی بنیا دوں پر جائزہ اور مشاورت کی جاتی ہے۔ تربیتی سیشنز کا تعین ضروریات کی بنیاد پر کیا جاتا ہے جوملاز مین کے لیے ترقی کے مواقع پیدا کرتا ہے۔ ہے اور ہمیں انتہائی حوصلہ افزاء اور تربیت یافتہ وسائل فراہم کرتا ہے۔

# دوران سال بورد كااستينس:

تاہم،الیںای سی پی کی جانب سے وضاحت کے بعداور مذکورہ وضاحت کومحترم ہائی کورٹ آف سندھ کے پاس ریکارڈ پر رکھنے کے بعد ،کمپنی نے اپنے قانونی امورانجام دینے کے لیے سابقہ بورڈ کے ساتھ کارروائی کی۔

# مستقبل كي حكمت عملي اور چيلنجز:

سیاسی عدم استحکام اور معاثی بدحالی پاکستان کی اقتصادی ترقی کوسلسل متاثر کررہی ہے۔ مزید برآں ، برآ ہدات میں کمی ،ادائیکیوں کے توازن کا بحران ،اورگرتی ہوئی شرح مبادلہ نے غیر ملکی سرمایہ کاروباروں اور سرمایہ کاروباروں کے لیے زیادہ مشخکم اور پیش قیاسی معاثی ماحول کا باعث بنیں۔
ہم یہ بھی تشکیم کرتے ہیں کہ تفزیکی انڈسٹری کامستقبل بلاشیدڈ بیجیٹل میڈیا اور اوور دی ٹاپ (او ٹی ٹی) سٹر بیننگ سروسز کے تبدیلی کے اثر ورسوخ پر مخصر ہے۔ یہ تحرک عوامل زمین کی تزئین کوئی شکل دے
مرہ ہیں ، جو ستقبل میں ایک دکش جھک فراہم کررہے ہیں۔ صنعت کے رہنما کے طور پر ،ہم لامحدود صلاحیتوں کوشلیم کرتے ہیں اور مختلف مجبور وجو ہات کی بناء پر اس کو برو کے کار لانے کے لیے ثابت قدم رہتے ہیں۔

ہم نیوز کے ذریعے، جدت اور صحافتی دیانت کو برقر ارکھتے ہوئے اور اپنے ناظرین کی انجرتی ہوئی ضروریات اور ترجیات کے مطابق ڈھال کرڈیجیٹل دورمیں اپنانے اور پھلنے پھولنے کا موقع ہے۔ جب تک ہم مستقل طور پر قابل اعتاد، متنوع اور دکش موادفرا ہم کرتے ہیں، ہمار نے مستقبل کے امکانات امیدافزار ہیں گے۔

ان حالات کے پیش نظر، ہماری کمپنی کی انتظامیہ تند ہی سے کثیر جہتی حکمت عملی پڑل بیرا ہے۔اس حکمت عملی میں ہماری آمدنی کے ذرائع کومتنوع بنانا، ہماری لا تق اسٹر کچر کو ہموار کرنا، آپیشنل کارکر دگی کو بہتر بنانا، اور ہماری فروخت کی کوششوں کو تیز کرنا شامل ہے۔ ٹین اسپورٹس کا حالیہ حصول تنوع کے حصول کی جانب ایک اہم قدم ہے، جو کہ آمدنی میں خاطرخواہ اضافے کا ایک دلچسپ موقع فراہم کر ہے گا۔ کھیلوں کے کونٹینٹ کی مسلسل بڑھتی ہوئی مانگ کے ساتھ،ہم پرامید ہیں کہ بیاسٹرا ٹیجک اقدام ہمیں ایک فروغ پزیر مارکیٹ میں داخل ہونے کا موقع فراہم کرے گا۔

ایک اعلی درجے کے تفریکی فراہم کنندہ کے طور پرہم نیٹ ورک کے معزز مقام پر ہمارا گہرافخر ، جو کہ سالوں کی ثابت قدمی اور انتقاب محنت سے بنا ہے ، ہمارے عزم کوآگے بڑھا تا ہے۔ ہم ایک بہترین تفریکی تجربہ فراہم کرنے کے لیے پرعزم ہیں جو ہمارے پیندیدہ ناظرین اور قابل قدراسٹیک ہولڈرز دونوں کے لیے خوثی کا باعث ہے۔

# Code of ethics & business practices

### 1. Introduction

- 1.1 The provisions of this Code as set forth are mandatory, and full compliance is expected under all circumstances. The Code affirms the Company's commitment to uphold high moral and ethical standards and specifies the basic norms of behavior for those who are involved in representing the Company i.e. every director or every employee or other person(s) associated or working with the Company (hereinafter collectively referred to as "Members or We or Us or Our").
- 1.2 Failure to comply with the Code can result in consequences for both the individual and the Company. The Company can impose appropriate discipline which may include discharge for violations of the Code. Furthermore, conduct that violates the Code may also violate federal or provincial law and could subject both the Company and the individual to prosecutions and legal sanctions.
- 1.3 All members are responsible for complying with the Code. Any director or employee who becomes aware of a violation or possible violation of the Code must report that information immediately to his/her superior or a senior officer of the Company or the audit committee of the Board of Directors. It is a violation of the Code to discriminate or retaliate against any person for reporting such information.

# 2. Build Trust and Credibility

2.1 The success of our business is dependent on the trust and confidence we earn from our employees, directors and shareholders. We gain credibility by adhering to our commitments, displaying honesty and integrity and reaching Company goals solely through honorable conduct. It is easy to say what we must do, but the proof is in our actions. Ultimately, we will be judged on what we do.

### 3. Compliance with the Law

- 3.1 Company's commitment to integrity begins with complying with laws, rules and regulations where we do business. Further, each of us must have an understanding of the company policies, laws, rules and regulations that apply to our specific roles. If we are unsure of whether a contemplated action is permitted by law or Company policy or in case of any other ambiguity, we should seek the advice from the HR Department/HR & R Committee/ Company's Legal Counsel/ Audit Committee as the case may be. We are responsible for preventing violations of law and for reporting to the appropriate person(s) if we see possible violations.
- 3.2 Many of the Company's activities are subject to complex and changing laws. Ignorance of the law is not a defense. Accordingly, Members must diligently ensure that they are aware of, and that their conduct cannot be interpreted as being in contravention of laws governing the affairs of the Company.

# 4. Confidential and Proprietary Information

- 4.1 Integral to the Company's business success is our protection of confidential company information, as well as nonpublic information entrusted to us by employees, customers and other business partners. Confidential and proprietary information includes such things as pricing and financial data, customer names/addresses or nonpublic information about other companies, including current or potential supplier and vendors. We will not disclose confidential and nonpublic information without a valid business purpose and proper authorization.
- 4.2 Certain records, reports, papers, processes, plans and methods of the Company or to which the Company has been permitted access are considered to be secret and confidential by the Company or the party who has permitted access thereto, and employees and Directors are prohibited from revealing information concerning such matters without proper authorization.
- 4.3 Directors, individuals, clients, agencies, investors and the public should have information about the Company as is necessary for them adequately to judge the Company and its activities. The Company believes that full and complete reporting to governmental agencies and the provision of information to the public as required constitutes a responsible and workable approach to disclosure. However, the Company except as required by law, will not disclose information important to its competitive effectiveness or which might violate the private rights of individuals, enterprises or institutions. Employee and Directors are therefore prohibited from discussing or disclosing any secret or confidential information about the Company or in the possession of the Company unless such disclosure has been authorized by the Board of Directors and /or as required by the law.
- 4.4 All member shall comply with Company's policies and procedures relating to the retention and orderly destruction of the Company's documents.

4.5 It is important that we respect the proprietary rights of others. We will not acquire or seek to acquire improper means of a competitor's trade secrets or other proprietary or confidential information. We will not engage in unauthorized use, copying, distribution or alteration of software or other intellectual property.

### 5. Use of Company Resources/Property

- 5.1 The employees and directors will always maintain in good condition Company property/resources, which may be entrusted to them for official use during the course of employment and shall return all such property to the Company prior to relinquishment of her/his charge, failing which the cost of the same will be recovered by the Company.
- 5.2 Company resources, including but not limited to the materials, assets (moveable or immoveable), intellectual property, equipment, electronic devices, telephones, fax machines, emails, WhatsApp, mobile/cell phones, mobile sims, computers, laptops, internet connections/devices, social media accounts, digital platforms, data and information etc. ("Company Property") are provided for company business use only and no personal use is permissible.
- 5.3 All employees and those who represent the Company are trusted to behave responsibly and use good judgment to conserve company resources and properties. Head of the departments (HOD) are responsible for the resources assigned to their departments and are empowered to resolve issues concerning their proper use.
- 5.4 No employee shall be allowed or permitted to use Company Property in the conduct of an outside business or in support of any religious, political or other outside daily activity, except for company-requested support to nonprofit organizations. Company will not solicit contributions nor distribute non-work related materials.
- 5.5 In order to protect the interests of the Company and/or other employees or associated person or undertakings, the Company reserves the right to monitor or review all data and information contained on an employee's company-issued computer or electronic device, the use of the Internet or Company's intranet. Company will not tolerate the use of Company Property or other resources to create, access, store, print, solicit or send any materials that are harassing, threatening, abusive, sexually explicit or otherwise offensive or inappropriate in any manner whatsoever.

## 6. Create a Culture of Open and Honest Communication

- 6.1 At the Company everyone should feel comfortable to speak his or her mind, particularly with respect to ethics concerns. Head of departments have a responsibility to create an open and supportive environment where employees feel comfortable raising such questions. We all benefit tremendously when employees exercise their power to prevent mistakes or wrongdoing by asking the right questions at the right times.
- 6.2 Employees are encouraged, in the first instance, to address such issues with their managers/superior, as most problems can be resolved swiftly at this stage. If for any reason that is not possible or if an employee is not comfortable raising the issue with his or her manager/HOD, HR does operate with an open-door policy.

### 7. Gifts and Entertainment

- 7.1 Members shall not on behalf of the Company, furnish directly or indirectly, expensive gifts or provide excessive entertainment or benefits to other persons.
- 7.2 Members whose duties permit them to do so, may furnish modest gifts, favors and entertainment to persons other than public officials, provided all of the following criteria are met:
- (a) The gifts are not in form of cash, bonds or other negotiable securities and are of limited value so as not to be capable of being interpreted as a bribe, payoff or other improper payment;
- (b) they are made as a matter of general and accepted business practice and does not constitute unfair business inducements that would violate law, regulation or policies of the Company;
- (c) they do not contravene any laws and are made in accordance with generally accepted ethical practices; and
- (d) if subsequently disclosed to the public, their provision would not in any way embarrass the Company or the recipients or reflect negatively on Company's reputation
  - For example, reasonable expenses of the entertainment of current or prospective business associates or customers are permissible by employees whose duties embrace the providing of such entertainment, provided prior approval from the CEO are obtained and proper accounting is made.
- 7.3 Members who award contracts or who can influence the allocation of business, who create specifications that result in the placement of business or who participate in negotiation of contracts must be particularly careful to avoid actions

that create the appearance of favoritism or that may adversely affect the Company's reputation for impartiality and fair dealing. The prudent course is to refuse a courtesy from a vendor when Company is involved in choosing or reconfirming a supplier or under circumstances that would create an impression that offering courtesies is the way to obtain Company business.

### 8. Public Officials

- 8.1 All dealings between employees or directors of the Company and public officials should be transparent.
- 8.2 Even the appearance of impropriety in dealing with public officials is improper and unacceptable. Any participation directly or indirectly, in any bribes, kickbacks, illegal gratuities indirect contributions or similar payments is expressly forbidden, whether or not they might further the business interest of the Company. Maintenance of a high standard of integrity is of the utmost importance to the Company.
- 8.3 Since the furnishing, on behalf of the Company, of even an inexpensive gift or a modest entertainment or benefit to a public official may be open to the interpretation that it was furnished illegally to secure the use of his/her influence as public official, no such gift, entertainment or benefit may be furnished by an employee or director.

### 9. Political Contributions

- 9.1 The use of the Company's funds, goods or services as contributions to political parties, candidates or campaigns is specifically forbidden.
- 9.2 Contributions include money or anything having value, such as loans, services, entertainment, trips and the use of the Company's facilities or assets.

### 10. Personal Gain

- 10.1 Directors or employees shall not use their status to obtain personal gain from those doing or seeking to do business with the Company.
- 10.2 Except as hereinafter provided, employees and directors should neither seek nor accept gifts, payments, services, fees, special valuable privileges, pleasure or vacation trips or accommodations or loans from any persons (except, in the case of loans, from persons in the business of lending and then only on conventional terms) or from any organization or group that does or is seeking to do business with the Company or any of its affiliates, or from a competitor of the Company or any of its affiliates. However, employees and directors may accept modest gifts, favors or entertainment up to the maximum limits prescribed by the Board of Directors of the Company from time to time provided that doing so is consistent with the tests relating to the furnishing of gifts set forth in section-7.

### 11. Conflicts of Interest

- 11.1 Members should avoid situations in which their personal interests conflict or might conflict with their responsibilities towards the Company. All such conflicts must be fully disclosed to the employee's superior or in the case of directors, to the audit committee of the Board of directors.
- 11.2 Members should seek to avoid acquiring any interest or participation in any activities that would tend to:
- a. Deprive the Company of the time or attention required to perform their duties properly; or
- b. Create an obligation or distraction which would affect their judgment or ability to act solely in the Company's best interest.
- 11.3 All members are required to disclose in writing to their supervisors or to the Audit Committee of the Board of Directors all business, commercial or financial interests or activities where such interests or activities might reasonably be regarded as creating an actual or potential conflict with their duties to the Company. Every employee of the Company who is charged with executive, managerial or supervisory responsibility and every Director is required to see that actions taken and decision made within his/her jurisdiction are free from the influence of any interests that might reasonably be regarded as conflicting with those of the Company.
- 11.4 If personal financial benefit is improperly gained by an employee or director, directly or indirectly, or through a spouse or child or a relative sharing the same residence as the employee or director, as a result of his / her employment or position with the Company or by the use or misuse of the Company's property or of information that is confidential to the Company's business, then the employee or director must account to the Company for any benefit received. Member must do more than merely act within the law. They must act in such a manner that their conduct will bear the closest scrutiny should circumstance demand that it be examined. Not only actual conflicts of interest but the very appearance of conflict should be avoided.

11.5 Determining whether a conflict of interest exists is not always easy to do. Member with a conflict of interest question should seek advice from management. Before engaging in any activity, transaction or relationship that might give rise to a conflict of interest, employees must seek review from their managers or the HR department/ Company's Legal Counsel/Audit Committee.

### 12. Inside Information

- 12.1 Members shall not use for their own financial gain or disclose for the use of others, inside information obtained as a result of their position within the Company.
- 12.2 Members may find themselves in violation of the applicable securities laws if they misuse information not generally known to the public and either trade or induce others to trade in the stock of the Company or in the stock of another Company. Specific confidential information would include but not limited to financial information, information concerning acquisitions or dispositions of properties and proposed acquisition or mergers with other companies.
- 12.3 Confidential, price-sensitive information may only be acted on or passed on if the transfer of information is necessary for legitimate business reasons ("Need to Know-Principal") or unless it is required by the law. Anyone who has such information may not recommend or initiate transactions with respect to any securities or other financial instruments the price of which may be affected by such information. The Company must be informed immediately if a member has reason to believe information is being or has been shared that violates insider trading regulations.

### 13. Client Information and Advice

13.1 Members must not seek to mislead the market or clients in any manner. When working with a client, appropriate care shall be taken that the client receives information which is necessary for a reasonable decision by the client. This includes information and advice given. Members shall not provide advice and/or recommendations regarding any service in which they are not appropriately authorized.

# 14. Authorization and Recording of Transactions and safekeeping of Assets

- 14.1 The Company's books and records must reflect, in an accurate, fair and timely manner, the transactions and disposition of assets of the Company. Member responsible for the Company's books and records must ensure that this occurs.
- 14.2 All transactions must be authorized and executed in accordance with the instructions of management and the Board of Directors. They must be recorded so as to permit the accurate preparation of financial statements in conformity with generally accepted accounting principles and other generally accepted laws applicable to such statements and to maintain accountability for assets.
- 14.3 Access to assets is permitted only in accordance with the authorization of management.
- 14.4 The use of Company funds or assets for any unlawful or improper purpose is strictly prohibited and those responsible for the accounting and record keeping functions are expected to be vigilant in ensuring enforcement of this prohibition. The recorded accountability for assets will be compared with the existing assets at reasonable intervals and appropriate action will be taken with respect to any differences.
- 14.5 We must not improperly influence, manipulate or mislead any authorized audit, nor interfere with any auditor engaged to perform an internal independent audit of Company books, records, processes or internal controls.
- 14.6 Safeguarding the company's assets is the responsibility of all members. Theft, carelessness, and waste have a direct impact on the company's profitability. Assets should be used efficiently and maintain such assets with care and respect, while guarding against waste and abuse. Look for opportunities to improve performance while reducing costs. The use of company time, materials, assets, or facilities for purposes unrelated to the company's business, or the removal or borrowing of company property, is prohibited

### 15. Discrimination-Free Work Environment

- 15.1 The policy of the Company is to provide a working environment free of discrimination and harassment in which individuals are accorded equality of employment opportunity based upon merit and ability.
- 15.2 Discriminatory practices based on race, sex, color, national or ethnic origin, religion, marital status, family status, age or disability will not be tolerated. Members are entitled to freedom from sexual and all other forms of personal harassment in the work place.

15.3 It is not a discriminatory practice to make a distinction between persons based on bona fide occupational requirements. Since bona fide occupational requirements are narrowly defined, such distinctions should not be undertaken without first obtaining express authorization.

# 16 Competition and Trade Practice Standards

- 16.1 The Company shall compete vigorously and creatively in its business activities, but its efforts in the marketplace shall be conducted in a fair and ethical manner in strict compliance with applicable competition and trade practice laws and regulations.
- 16.2 Under no circumstances shall any employee or Director of the Company be a party to any collusion or concerted effort of any type involving any competitor vendor, supplier, customer or other party, which is in restraint of trade or violation of laws and regulations designed to foster competition. Because laws relating to competition are complex, employees and Directors should refer matters about what they are in doubt to their superior or should seek the advice of the HR Department/ Company's Legal Counsel/ Audit Committee/ HR&R Committee as the case may be.

# 17 Accountability

- 17.1 Each of us is responsible for knowing and adhering to the values and standards set forth in the Code and for raising questions if we are uncertain about Company policy. If we are concerned whether the standards are being met or are aware of violations of the Code, we must contact the HR department/Legal Counsel/Audit Committee/HR&R Committee.
- 17.2 Company takes seriously the standards set forth in the Code, and violations are cause for disciplinary action up to and including termination of employment.

### 18. Standards of Conduct

18.1 Although the various matters dealt with in this Code do not cover the full spectrum of employee or Director activities, they are indicative of the Company's commitment to the behavior expected from employees and Directors in all circumstances.

# **Whistle-Blowing Policy**

# 1. Purpose

To encourage employees to disclose any malpractice or misconduct of which they become aware and to provide protection for employees who report allegations of such malpractice or misconduct. The main purpose of this whistle blowing policy is to give all employees an opportunity to disclose matters they feel need to be reported in the interest of fair-play and larger benefit of the organization; high standard of corporate governance; compliance with legal requirements and protection of the Company's interest.

# 2. Policy

The whistle blowing policy is designed to encourage employees to report alleged malpractice or misconduct, to ensure that all allegations are thoroughly investigated and suitable action taken where necessary. Any whistle-blowing employee is protected against adverse employment actions (discharge, demotion, suspension, harassment, or other forms of discrimination) for raising allegations of business misconduct. An employee is protected even if the allegations prove to be incorrect or unsubstantiated as long as there is no evidence of willful misreporting. Employees who participate or assist in an investigation will also be protected.

# 3. Requirement of policy

This document thus sets out a formal whistle-blowing policy, consisting of safe and effective procedures for misconduct disclosure or reporting so that appropriate remedial action can be taken. A written, formal policy is also a means of preventing and deterring misconduct that might be contemplated but has not yet taken place. It is also a transparent method of addressing issues relating to whistle blowing, such as answering standard questions, giving assurances, providing information and offering explanations.

### 4. On what should one blow the whistle

What is reportable misconduct?

Any serious concerns you may have about any aspect of the operations of the Hum Network Limited (the Company) and those who work in the Company can be reported under this policy. This may be a conduct that:

- Is against the governing rules, procedures, and policies, or established standards of practice of the Company. amounts to improper, unethical, or unlawful conduct;
- Amounts to waste of company's resources; makes you feel uncomfortable in terms of your experience with the standards you believe; or
- Amounts to an attempt to cover up any of these types of actions. Conduct becomes reportable when it happens or when it is reasonably likely to occur. Harm to the Company or to its integrity may occur when any of this conduct is unchecked or unaddressed. Importantly, in determining whether to report conduct, harm is not only measured in terms of monitory loss to the organization, or damage to a particular program or initiative, but the harm may also be done to the integrity and reputation of the Company itself, or its survival and/or growth.

Reportable conduct falls into the following categories:

# 4.1 Illegal or unlawful conduct

Conduct may be illegal or unlawful in terms of the Rules and Regulations of the Company and other applicable laws. We all have legal responsibilities, obligations or duties. Criminal offences - such as theft, fraud, corruption (for example, bribery), or money laundering - are in breach of legal duties and therefore constitute reportable misconduct.

# 4.2 Un-procedural conduct

Conduct may be un-procedural since it violates clearly communicated procedures (in the form of policies, regulations, or rules) governing the operations of the Specific rules and processes, together with other best practice procedures, guide accounting practices and controls, financial reporting, auditing matters, the transfer of funds to recipients, approved recipient accounts, and the like. Such procedures are important for good governance and breaching them may expose the application of funds to risk of loss or real loss.

### 4.3 Unethical conduct

Conduct may be unethical since it undermines universal, core ethical values, such as integrity, respect, honesty, responsibility, accountability, fairness. For example one could exert undue pressure on a person in position of power in order to gain an advantage. That would be unfair to others and as such unethical, although neither unlawful nor un-procedural. But not all unethical conduct is reportable. For example, some kinds of conduct may be disrespectful and therefore undesirable, without harming any serious interests other than personal feelings. This would not be reportable misconduct.

### 4.4 Wasteful conduct

Conduct constituting a gross waste of resources is a reportable category in its own right since responsible stewardship of resources is as crucial to the success of the Company as all employees have an obligation to ensure that all resources are used prudently and efficiently. If resources are spent in a wasteful manner, and in breach of the public trust under which they are provided, and an employee knows about this then this would be reportable under the whistle-blowing mechanism.

# 5. Whistle-blower protection

HNL shall take all necessary actions to safeguard the interests of the whistle-blower. Where an individual makes a report under this policy in good faith, reasonably believed to be true, there will be no retaliation (please read detail below) against the reporter should the disclosure turn out to be misguided. Retaliation means any direct or indirect detrimental action recommended, threatened or taken because an individual reported conduct described in Section 4 of this policy. When established, retaliation is by itself misconduct which may be pursued under the appropriate mechanisms - for example, through disciplinary action initiated through mechanisms of HR Policy or more broadly and as appropriate, through other mechanisms of the company's rules. Reporting under this policy, however, in no way immunizes or shields a whistle-blower against action following from his or her own misconduct, which includes willfully making allegations through the whistle-blowing mechanism that the individual knows to be false or makes with an intent to misinform.

# 6. Whistle-blowing procedures

HNL encourages all its employees to act responsibly at all times and protect themselves and the company against any illegal or immoral acts (see section 4) by immediately reporting any such actions to the Designated Person.

Designated Persons (DPs)

The

- Company secretary, and
- Head of Internal Audit

Shall be the "Designated Persons" (DPs), and all information shall be directly conveyed to the DPs by the whistle-blower.

# Access to the Designated Person

The whistle-blower shall have direct access to the Designated Persons at all times. This right of the whistle-blower shall be upheld under all circumstances and respected by the management of the Company.

# **Medium of Reporting**

Reports to the Designated Persons can be made by: Official email address of the Designated Persons.

# Follow up Procedure

The DPs will initiate an investigation and take any consequent action as deemed appropriate and will record the same for information of the Board of Directors, keeping at all times, the confidentiality of the Whistle Blower's identity.

# UNCONSOLIDATED FINANCIAL STATEMENTS

# INDEPENDENT AUDITOR'S REPORT To the members of HUM Network Limited

# Report on the Audit of the Unconsolidated Financial Statements

## Opinion

We have audited the annexed unconsolidated financial statements of HUM Network Limited (the Company), which comprise the unconsolidated statement of financial position as at 30 June 2023, and the unconsolidated statement of profit or loss, unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity, the unconsolidated statement of cash flows for the year then ended and notes to the unconsolidated financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, unconsolidated statement of profit or loss, unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity and the unconsolidated statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2023 and of the profit, the other comprehensive income, the changes in equity and its cash flows for the year then ended.

# **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

### Key audit matters

### How the matter was addressed in our audit

### 1. Net realizable value of television program costs

As of the year end, the balance of television program costs amounted to Rs. 483,447,376 (30 June 2022: 425,690,238) which represents unamortized cost of completed television programs and television programs in production.

As per the accounting policy of the Company, television program costs and acquired television program licenses and rights are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues, less cost expensed in prior years on an individual program basis.

Allocation of television program costs over several accounting periods based on estimates of revenue involve significant judgement of the management which may have a significant impact on the unconsolidated financial statements. For this reason, we have identified this area as key audit matter.

Refer notes 3.4, 8 and 23 to the unconsolidated financial statements.

Our audit procedures amongst others, comprised reviewing the appropriateness of the accounting policy of the Company in accordance with the applicable financial reporting standards. Further, we obtained understanding of the revenue estimation and amortization process of the Company.

In this regard, we selected a sample of television programs and considered the factors used by the management for revenue estimation and amortization of television program cost including:

- historic experience of revenue earned by similar programs;
- ratings of the program from available evidences;
- rates used by the Company and its fluctuation based on the trend analysis; and
- we also considered subsequent events which may have an impact on unamortized cost.

We also evaluated whether adequate disclosures have been made in the accompanying unconsolidated financial statements in accordance with the applicable financial reporting standards.

### 2. Revenue recognition

Refer note 3.20 and 22 to the accompanying unconsolidated financial statements)

The Company earns revenue from a variety of sources among the different business areas of which 96% pertains to revenue from advertisements and subscriptions.

As reported in the explanatory notes, revenues from advertisement are recognized at the time of the appearance of the advertisement and subscription income is recognized in the month in which service is rendered.

We concluded that this area constitutes a key audit matter for the Company considering the significance of the amount, it being a key performance indicator and also the increase of 8% and 29% in advertisement and subscription income as compared to the prior year respectively. We obtained an understanding of the Company's processes in place for revenue recognition and tested key controls over each significant revenue stream.

We inspected a sample of contracts to check that revenue recognition was in accordance with the contract terms and the Company's revenue recognition policies.

We performed analytical review procedures and other test of details over revenue including cut-off procedures to check that revenue has been recognised in the appropriate accounting period.

We assessed the adequacy of the Company's disclosures in accordance with the applicable financial reporting standards.

### Information Other than the Unconsolidated Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the unconsolidated financial statements and our auditor's report thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Board of Directors for the Unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibilities for the Audit of the Unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
  to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for
  one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the unconsolidated Statement of Financial Position, the unconsolidated Statement of Profit or Loss, the unconsolidated Statement of Comprehensive Income, the unconsolidated Statement of Changes in Equity and the unconsolidated Statement of Cash Flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Omer Chughtai.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These unconsolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board (IASB) as notified under the Companies Act 2017 (the Act); and
- Provisions of and directives issued under the Act

Where provisions of and directives issued under the Act differ from IFRS, the provisions of and directives issued under the Act have been followed.

#### 2.2 Accounting convention

- **2.2.1** These unconsolidated financial statements have been prepared under the historical cost convention except otherwise specifically stated.
- **2.2.2** These unconsolidated financial statements are presented in Pak Rupees which is the Company's functional and presentation currency.

#### 2.3.1 Standards, interpretations and amendments applicable to these unconsolidated financial statements

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Company's accounting periods beginning on or after July 1, 2022 but are considered not to be relevant or do not have any significant effect on the Company's operations and therefore not detailed in these financial statements.

#### Amendments to approved accounting standards

| IFRS 3 | Reference to the Conceptual Framework (Amendments)                       |
|--------|--|
| IAS 16 | Property, Plant and Equipment: Proceeds before Intended Use (Amendments) |
| IAS 37 | Onerous Contracts – Costs of Fulfilling a Contract (Amendments)          |

The adoption of the above amendments to the accounting standards did not have any material effect on the Company's financial statements.

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after January 01, 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers evelop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

#### Improvements to Accounting Standards Issued by the IASB (2018-2020 cycle)

| IFRS 9  | Financial Instruments – Fees in the '10 percent' test for derecognition of financial liabilities |
|---------|--|
| IAS 41  | Agriculture – Taxation in fair value measurements  |
| IFRS 16 | Leases: Lease incentives   |

The adoption of the above amendments to the approved accounting standards did not have any material effect on the Company's financial statements.

#### 2.4 Significant accounting judgments, estimates and assumptions

The preparation of the unconsolidated financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires the management to make judgment, estimates and assumptions that affect the application of policies and the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures. Uncertainty about these judgments, estimates and assumptions could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The judgments, estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources.

Judgments, estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the accounting policies, management has made the following judgments, estimates and assumptions which are significant to the unconsolidated financial statements:

#### Property, plant and equipment and intangible assets

The Company reviews appropriateness of the rate of depreciation / amortisation, useful life and residual value used in the calculation of depreciation / amortisation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment and intangible assets, with corresponding effects on the depreciation / amortisation charge and impairment.

#### Investment in subsidiaries

The Company value its investment in subsidiaries at cost less impairment, if any. The Company determines whether objective evidence of impairment exists for individual investments. The determination of fair value of unquoted subsidiaries involves inherent subjectivity, key assumptions (such as future cash flow forecasts, discount and growth rates and volatility), and estimation relation to valuation inputs and techniques. Any change in these assumptions and estimates may have significant impact on the fair value of investments with corresponding impact in statement of profit or loss.

#### Television program costs

Television program costs represent unamortized cost of completed television programs and television programs in production. In order to determine the amount to be charged to statement of profit or loss, the management estimates future revenues from each program. Estimates of future revenues can change significantly due to a variety of factors, including advertising rates and the level of market acceptance of the production in different geographical locations. Accordingly, revenue estimates are reviewed periodically and amortisation is adjusted, if necessary. Such adjustments could have a material effect on results of operations in future periods.

#### Income taxes

In making the estimate for income tax payable by the Company, the Company takes into account the applicable tax laws and the decision by appellate authorities on certain issues in the past.

Deferred tax assets are recognised for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

#### Impairment of financial assets

The Company uses a provision matrix to calculate ECLs for trade debts and other receivables. The provision rates are based on days past due for Company's various customer that have similar loss patterns.

The provision matrix is initially based on the Company's historical observed default rates. The Company will calibrate the matrix to adjust the historical credit loss experience with forward-looking information. For instance, if forecast economic conditions are expected to deteriorate over the next year which can lead to an increased number of defaults in the manufacturing sector, the historical default rates are adjusted. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The information about the ECLs on the Company's financial assets exposed to credit risk is disclosed in note 35.5.

#### Contingencies

The assessment of the contingencies inherently involves the exercise of significant judgment as the outcome of the future events cannot be predicted with certainty. The Company, based on the availability of the latest information, estimates the value of contingent assets and liabilities which may differ on the occurrence / non-occurrence of the uncertain future events

#### Leases- Estimating the incremental borrowing rate

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

#### Leases- Determination of the lease term for lease contracts with extension and termination options

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has lease contracts that include extension and termination option. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate.

#### 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 Property, plant and equipment

#### 3.1.1 Operating fixed assets

These are stated at cost less accumulated depreciation and impairment, if any.

Depreciation is charged to statement of profit or loss using straight line method so as to write off the historical cost of the assets over their estimated useful lives. Depreciation on additions is charged from the month in which the asset is available to use and no depreciation is charged for the month in which asset was disposed of.

Maintenance and normal repairs are charged to statement of profit or loss as and when incurred. Major renewals and improvements, if any, are capitalized when it is probable that respective future economic benefits will flow to the Company.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in statement of profit or loss in the year the asset is derecognised.

The assets' residual values, useful lives and method of depreciation are revised, and adjusted if appropriate, at each statement of financial position date.

#### 3.1.2 Right-of-use assets

The Company recognises a right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of lease term or useful life, except for the leases in which ownership of the underlying assets transfer to the lessee by the end of the lease term or cost of right of use assets reflects that the lessee will exercise a purchase option, the Company depreciate those right of use asset over the useful life of the underlying asset.

#### 3.1.3 Capital work-in-progress

These are stated at cost less accumulated impairment and consist of expenditures incurred and advances made in respect of specific assets during the construction period. These are transferred to specific assets as and when assets are available for use.

#### 3.2 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is fair value as at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses.

Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life is reviewed at least at each financial year end. The amortisation expense on intangible assets with finite lives is recognised in statement of profit or loss in the expense category consistent with the function of the intangible asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in statement of profit or loss when the asset is derecognised.

#### 3.3 Investments in subsidiaries

Subsidiary is a entity over which the Company has control. Control is achieved when the Company is exposed, or has rights, to variable returns from its involvement with the investee and has ability to affect those returns through its power over the investee. Generally, there is presumption that a majority of voting rights result in control. In assessing control, potential voting rights that are currently exercisable are taken into account.

Investment in subsidiary is initially recognised at cost. At subsequent reporting dates, the Company reviews the carrying amount of the investment to assess whether there is any indication that such investments have suffered an impairment loss. If any such indication exists, the recoverable amount is estimated in order to determine the extent of the impairment loss, if any. Such impairment losses or reversal of impairment losses are recognised in the statement of profit or loss. These are classified as 'long-term investment' in the unconsolidated financial statements.

#### 3.4 Television program costs

Television program costs represent unamortized cost of completed television programs and television programs in production. These costs include direct production costs, cost of inventory consumed, and production overheads and are stated at the lower of cost, less accumulated amortisation and net realizable value (NRV). NRV is estimated by the management on the basis of future revenue generation capacity of the program. Acquired television program licenses and rights are recorded when the license period begins and the program is available for use.

Television program costs and acquired television program licenses and rights are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues less cost expensed in prior years on an individual program basis.

#### 3.5 Inventories

These are valued on weighted average cost basis and are stated at the lower of cost and NRV.

#### 3.6 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### i) Financial assets

#### Initial recognition and measurement

Under IFRS 9 Financial assets are classified, at initial recognition, as subsequently measured at following:

- (a) at amortised cost
- (b) at fair value through profit or loss (FVTPL); and
- (c) at fair value through other comprehensive income (FVTOCI).

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the business model for managing them. With the exception of trade receivables, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables are measured at the transaction price determined under IFRS 15.

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e. the date that the Company commits to purchase or sell the asset.

#### (a) At amortised cost

A financial asset is measured at amortised if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### (b) At fair value through profit or loss

Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

A financial asset (unless it is a trade receivable without a significant financing component that is initially measured at the transaction price) is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

#### (c) At fair value through other comprehensive income

A debt instruments is measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model with the objective of both holding to collect contractual cash flows and selling; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Upon initial recognition, the Company can elect to classify irrevocably its equity investments as equity instruments designated at FVOCI when they meet the definition of equity under IAS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into following categories:

- Financial assets at amortised cost (debt instruments).
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- Financial assets at fair value through profit or loss

#### Financial assets at amortised cost (debt instruments)

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

#### Financial assets at fair value through profit or loss

Financial assets at FVPL include financial assets held for trading, financial assets designated upon initial recognition at FVPL, or financial assets mandatorily required to be measured at fair value. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortized cost or at FVOCI, as described above, debt instruments may be designated at FVPL on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at FVPL are carried in the unconsolidated statement of financial position at fair value with net changes in fair value recognised in unconsolidated statement of profit or loss.

This category also includes derivative instruments and listed equity investments which the Company had not irrevocably elected to classify at FVOCI. Dividends on listed equity investments are also recognised as other income in profit or loss when the right of payment has been established.

#### Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments)

These assets are subsequently measured at fair value. Interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the statement of profit or loss and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value change recognised in OCI is recycled to profit or loss.

#### Financial assets at fair value through OCI with no recycling of cumulative gains and losses (equity instruments)

These assets are subsequently measured at fair value. Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the statement of profit or loss when the right of payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

As at the date of statement of financial position, Company does not have any equity instrument designated at fair value through OCI.

#### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's unconsolidated statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of its continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

#### Impairment of financial assets

The Company recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade debts, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Company considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

#### ii) Financial liabilities

#### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

#### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the statement of profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Company has not designated any financial liability as at fair value through profit or loss.

#### Financial liabilities at amortised cost

After initial recognition, borrowings and payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting date. Exchange gain or losses arising in respect of borrowings in foreign currency are added to the carrying amount of the borrowings.

#### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### 3.7 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### 3.8 Advance from customers (Contract Liability)

A contract liability is the obligation of the Company to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liability are recognised as revenue when the Company fulfills its performance obligation mentioned in the contract.

#### 3.9 Impairment of non-financial assets

The carrying amounts of non-financial assets are assessed at each reporting date to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, if any. An impairment loss is recognised, as an expense in statement of profit or loss and other comprehensive income. The recoverable amount is the higher of an asset's fair value less cost to disposal and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets for which the estimate of future cash flow have not been adjusted. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

#### 3.10 Deposits, advances, prepayments and other receivables excluding financial assets

These are initially recognised at cost, which is the fair value of the consideration given. Subsequent to initial recognition assessment is made at each statement of financial position date to determine whether there is an indication that assets may be impaired. If such indication exists, the estimated recoverable amount of that asset is determined and any impairment loss is recognised for the difference between the recoverable amount and the carrying value.

#### 3.11 Current versus non-current classification

The Company presents assets and liabilities in the unconsolidated statement of financial position based on current/non-current classification. An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period

Or

• Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- · It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period

Or

• There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### 3.12 Taxation

#### Current

Provision for current tax is based on the taxable income in accordance with the Income Tax Ordinance, 2001.

#### **Deferred**

Deferred tax is recognised using the balance sheet liability method, on all major temporary differences arising at the statement of financial position date between tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that the future taxable profits will be available against which the assets may be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The carrying amount of deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recognised.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the statement of financial position date.

#### 3.13 Cash and cash equivalents

These are carried at cost. For the purpose of statement of cash flows, cash and cash equivalents comprise of cash in hand and bank balances.

#### 3.14 Share capital and reserves

Ordinary shares are classified as equity and recognised at their face value. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds. Reserves comprise of unappropriated proft.

#### 3.15 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### 3.15.1 Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

#### i) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the termination option is reasonably certain to be exercised. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments at the lease commencement date, the Company uses the interest rate implicit in the lease. In case where the interest rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

#### ii) Determination of the lease term for lease contracts with extension and termination options

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation of the leased asset).

#### iii) Estimating the incremental borrowing rate

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

#### iv) Short-term leases

The Company applies the short-term lease recognition exemption to its short-term leases of office premises (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

#### 3.16 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred and subsequently carried at amortized cost using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional / contractual right to defer settlement of the liability for at least twelve months after the statement of financial position date.

#### 3.17 Government Grant

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. As the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

#### 3.18 Unclaimed and unpaid dividend

Dividend declared by the Company, in the preceding three years, which remains unclaimed or unpaid as on the statement of financial position date is recognised as unpaid dividend. Dividend declared and payable prior to the preceding three years from the statement of financial position date are recognised as unclaimed dividend.

#### 3.19 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate.

#### 3.20 Revenue recognition

Advertising revenues are recognised at a point in time when the related advertisement or commercial appears before public i.e. aired.

Production revenue is recognised at a point in time when production work appears before public.

Digital revenue: Advertising revenues from digital properties are recognised on the basis of number of impressions on the advertisement aired on website.

Subscription income arises from the monthly billing to subscribers for services provided by the Company and from digital avenues based on number of views. Revenue is recognised in the month the service is rendered.

Film distribution revenue is recognised at a point in time upon receipt of related sales reports from cinemas.

Credit limits in contract with customers ranges from 2 to 90 days.

#### 3.21 Other income

Profit on bank deposits is accounted for on effective interest method.

Dividend income is recognised when it is declared and right to receive is established.

Interest / markup income is recognised on accrual basis.

Other revenues are accounted for on an accrual basis.

#### 3.22 Sales tax

Revenues, expenses and assets are recognised, net off amount of sales tax except:

- where sales tax incurred on a purchase of asset or service is not recoverable from the taxation authorities, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable;
- receivables or payables that are stated with the amount of sales tax; and
- the net amount of sales tax recoverable from, or payable to, the taxation authorities is included as part of receivables or payables in the unconsolidated statement of financial position.

#### 3.23 Expenses

Expenses are recorded when incurred based on the accrual basis of accounting. Distribution costs and administrative expenses include direct and indirect costs not specifically part of cost of production. Allocations between cost of production, distribution and administrative expenses, when required, are made on a consistent basis.

#### 3.24 Donations

Donations are recorded as an expense when they are approved by the Board of Directors or actually paid, whichever is earlier.

#### 3.25 Staff retirement benefits

#### **Defined contribution plan**

The Company operates a funded and approved provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Company and the employees, to the fund at the rate of 8.33% of the basic salary.

#### 3.26 Foreign currency translations and translations

Foreign currency transactions are translated into Pakistani Rupees using the exchange rates ruling at the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees using the exchange rate at the statement of financial position date. Non-monetary assets and liabilities are translated using exchange rate that existed when the values were determined. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at the year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are taken to unconsolidated statement of profit or loss currently.

#### 3.27 Borrowing costs

Borrowing costs that are directly attributable to the acquisition and construction of assets and incurred during the period in connection with the activities necessary to prepare the asset for its intended use are capitalized as a part of the cost of related asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

#### 3.28 Dividend and appropriation to reserves

Dividend and appropriation to reserves are recognised in the financial statements in the period in which these are approved.

#### 3.29 Contingencies

Contingencies are disclosed when the Company has a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

#### 3.30 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

#### 3.31 Segment Reporting

Segment reporting is based on the reporting operating (business) segments of the Company. An operating segment is a component of the Company that engages in business activities from which it may earn revenue and incur expenses. An operating segment's operating results are reviewed regularly by the senior management of the Company to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

- 6.1 The Company owns 100% shareholding of Sky Line Publication (Private) Limited (Skyline) as at 30 June 2023 (2022: 100%). The principle business of the subsidiary is publishing a monthly English magazine and production and sales of documentary films. In the current year, Skyline earned a profit after tax amounting to Rs. 2,261,941 (2022: Rs. 2,249,511). Skyline has accumulated loss amounting to Rs. 82,852,521 (2022: Rs. 85,114,462). Since Skyline was not historically generating sufficient cashflows and profits and there was no recoverability of investment in the foreseeable future, the management decided to impair the full cost of investment in the year 2020.
- 6.2 During the year, the Company acquired 100% shareholding of Tower Sports (Private) Limited i.e. 20,100 ordinary shares having face value of Rs. 1,000 each, issued at Rs. 7,462.69 each, at a cost of Rs. 150 million. Resultantly, Tower Sports (Private) Limited became a subsidiary of the Company effective 01 May 2023. Tower Sports (Private) Limited is engaged in the business of providing specialised sports services which include but not limited to production, sales, marketing and distribution of sports media content.

Financing is secured by way of Equitable Mortgage over registered office, first hypothecation charge over plant, machinery & equipment, first pari passu charge over receivables of the company and first pari passu charge by way of constructive mortgage charge over Islamabad office.

Represents long-term financing of Rs. 200 million obtained from an Islamic bank in June 2020 under the refinance scheme for the payment of wages and salaries as per the State Bank of Pakistan (SBP) guidelines. The loan carries an interest rate of SBP rate + 3%. However, the loan has been recognised at its present value using the effective interest rates applicable at the drawdown dates. The loan was scheduled to be repaid in 8 equal quarterly installments, commencing from January 2021. The differential markup has been recognised as a government grant, which will be amortized as interest income over the loan period. The facility is secured by a registered equitable mortgage on land and property, with a 30% margin. The loan has been fully repaid during the year.

- 29.1 The Company has filed its return of income up to tax year 2022. The returns so filed are deemed to be an assessment order issued by the Taxation Authorities on the date the complete return is filed. The Company was mainly subject to minimum tax during the year ended 30 June 2021 under section 153(1)(b) of the Income Tax Ordinance 2001, therefore, relationship between income tax expense and accounting profit has not been presented.
- 29.2 During the year 2017, Deputy Commissioner Inland Revenue issued a show cause notice to the Company, for the tax year 2014, showing his intention to disallow the deduction claimed on account of agency commission on alleged non-deduction of tax on such agency commission. The Company filed a suit before the Hon'ble High Court of Sindh challenging the above showcause notice.

Based on a recent judgement of the Hon'ble Supreme Court of Pakistan, suits filed by taxpayers are not to be maintained unless 50% of the tax due is deposited by the petitioners. In compliance to the above order, the Company has deposited an amount of Rs. 24,395,012 into the Government treasury. The decision in respect of the Suit filed by the Company is still pending. The management, based on the legal advice, is confident that the ultimate outcome will be in favor of the Company and accordingly, no provision has been made in this respect in these unconsolidated financial statements.

29.3 During the year ended 30 June 2022, the Assistant Commissioner Inland Revenue (ACIR) passed an order under section 122(1) of the Ordinance for the tax year 2017 whereby tax demand of Rs.771,644,957 was raised. The company challenged the above order before the Commissioner Inland Revenue (Appeals). The CIR(A) pursuant to the above appeal has decided majority of the issues in favor of the company. Furthermore, issue of additions to fixed assets has been remanded back for verification whereas disallowance in respect of unpaid creditors and accrued liabilities, loss on disposal of fixed assets and levy of super tax under section 4B has been confirmed. The company has filed further appeal in respect of the confirmed issues before the ATIR, which is pending adjudication.

#### 35 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks i.e. market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

The Company's senior management oversees the management of these risks. The Company's senior management provides policies for overall risk management, as well as policies covering specific areas such as foreign exchange risk, interest rate risk and credit risk, use of financial derivatives, financial instruments and investment of excess liquidity. It is the Company's policy that no trading in derivatives for speculative purposes shall be undertaken.

The Board of Directors review and agree policies for managing each of these risks which are summarized below:

#### 35.1 Market risk

Market risk is the risk that fair value of future cash flows will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, currency risk and equity price risk, such as equity risk.

#### 35.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of financial instruments will fluctuate because of changes in the market interest rates. The Company's interest rate risk arises from long-term financing and finance lease obligations and bank balances. The Company manages these risks through risk management strategies.

#### Sensitivity analysis:

The following figures demonstrate the sensitivity to a reasonably possible change in interest rate, with all other variables held constant, of the Company's profit before taxation:

|               | Increase /<br>decrease in<br>basis points | Effect on profit before taxation |

#### 35.3 Currency risk

Foreign currency risk is the risk that the value of financial assets or financial liabilities will fluctuate due to a change in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions in foreign currencies. The Company's exposure to foreign currency risk is as follows:

|                          | June 30, 2023    |          |         | June 30, 2022 |          |         |

#### 35.4 Equity price risk

The Company's investments are susceptible to market price risk arising from uncertainties about future values of investment securities. The Company manages the equity price risk through diversification and placing limits on individual and total investments. Reports on the investments portfolio are submitted to the Company's senior management on a regular basis.

As of the statement of financial position date, the exposure to investments at fair value through profit or loss was Rs. 585,381,954 (30 June 2022: Rs. 1,127,212,684).

#### 35.5 Credit risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Concentration of credit risk arise when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

#### Management of credit risk

The Company's policy is to enter into financial contracts in accordance with the guidelines set by the Board of Directors and other internal guidelines.

Credit risk is managed and controlled by the management of the Company in the following manner:

- Credit rating and / or credit worthiness of the counterparty is taken into account along with the financial background so as to minimize the risk of default.
- The risk of counterparty exposure due to failed agreements causing a loss to the Company is mitigated by a periodic review of their credit ratings, financial statements, credit worthiness and market information on a regular basis.
- Cash is held with reputable banks only.

As of the unconsolidated statement of financial position date, the Company is exposed to credit risk on the following assets:

|                        |  | 2023          | 2022          |

#### 35.8 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate fair values.

The following table shows assets recognised at fair value, analysed between those whose fair value is based on:

Level 1: Quoted prices in active markets for identical assets or liabilities,

Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3: Those whose inputs for the asset or liability that are not based on observable market data (unobservable inputs).

# CONSOLIDATED FINANCIAL STATEMENTS

## INDEPENDENT AUDITOR'S REPORT To the members of Hum Network Limited

### Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the annexed consolidated financial statements of Hum Network Limited (the Holding Company) and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at 30 June 2023, and the consolidated statement of profit or loss, consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 June 2023, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

### Key audit matters

#### How the matter was addressed in our audit

### 1. Net realizable value of television program costs

As of the year end, the balance of television program costs amounted to Rs. 483,447,376 (30 June 2022: 425,690,238) which represents unamortized cost of completed television programs and television programs in production.

As per the accounting policy of the Holding Company, television program costs and acquired television program licenses and rights are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues, less cost expensed in prior years on an individual program basis.

Allocation of television program costs over several accounting periods based on estimates of revenue involve significant judgement of the management which may have a significant impact on the consolidated financial statements. For this reason, we have identified this area as key audit matter.

Refer notes 3.7, 8 and 23 to the consolidated financial statements.

Our audit procedures amongst others, comprised reviewing the appropriateness of the accounting policy of the Holding Company in accordance with the applicable financial reporting standards. Further, we obtained understanding of the revenue estimation and amortization process of the Holding Company.

In this regard, we selected a sample of television programs and considered the factors used by the management for revenue estimation and amortization of television program cost including:

- historic experience of revenue earned by similar programs;
- ratings of the program from available evidences;
- rates used by the Holding Company and its fluctuation based on the trend analysis; and
- we also considered subsequent events which may have an impact on unamortized cost.

We also evaluated whether adequate disclosures have been made in the accompanying consolidated financial statements in accordance with the applicable financial reporting standards.

### 2. Revenue recognition

(Refer note 3.23 and 22 to the accompanying consolidated financial statements)

The Group earns revenue from a variety of sources among the different business areas of which 96% pertains to revenue from advertisements and subscriptions.

As reported in the explanatory notes, revenues from advertisement are recognized at the time of the appearance of the advertisement and subscription income is recognized in the month in which service is rendered.

We concluded that this area constitutes a key audit matter for the Group considering the significance of the amount, it being a key performance indicator and also the increase of 7% and 49% in advertisement and subscription income as compared to the prior year respectively. We obtained an understanding of the Group's processes in place for revenue recognition and tested key controls over each significant revenue stream.

We inspected a sample of contracts to check that revenue recognition was in accordance with the contract terms and the Group's revenue recognition policies.

We performed analytical review procedures and other test of details over revenue including cut-off procedures to check that revenue has been recognised in the appropriate accounting period.

We assessed the adequacy of the Group's disclosures in accordance with the applicable financial reporting standards.

#### Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the

Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditors' report is Omer Chughtai.

### 2 BASIS OF PREPARATION

### 2.1 Statement of Compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board (IASB) as notified under the Companies Act, 2017 (the Act);
- Provisions of and directives issued under the Act.

Where provisions of and directives issued under the Act differ from IFRS, the provisions of and directives issued under the Act have been followed.

### 2.2 Basis of measurement

- **2.2.1** These consolidated financial statements have been prepared on the basis of historical cost convention, except otherwise specifically stated.
- 2.2.2 These consolidated financial statements are presented in Pak Rupees which is the Group's functional and presentation currency.

### 2.3 Standards, interpretations and amendments applicable to these consolidated financial statements

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Group's accounting periods beginning on or after July 1, 2022 but are considered not to be relevant or do not have any significant effect on the Group's operations and therefore not detailed in these consolidated financial statements.

### Amendments to approved accounting standards

IFRS 3 Reference to the Conceptual Framework (Amendments)

IAS 16 Property, Plant and Equipment: Proceeds before Intended Use (Amendments)

IAS 37 Onerous Contracts – Costs of Fulfilling a Contract (Amendments)

The adoption of the above amendments to the accounting standards did not have any material effect on the Group's financial statements.

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after January 01, 2020 for preparers of consolidated financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

### Improvements to Accounting Standards Issued by the IASB (2018-2020 cycle)

### 2.4 Significant accounting judgments, estimates and assumptions

The preparation of the consolidated financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires the management to make judgment, estimates and assumptions that affect the application of policies and the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources.

Estimates, assumptions and judgments are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the accounting policies, management has made the following estimates and judgments which are significant to the consolidated financial statements:

### Property, plant and equipment and intangible assets

The Group reviews appropriateness of the rate of depreciation / amortisation, useful life and residual value used in the calculation of depreciation / amortisation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment and intangible assets, with corresponding effects on the depreciation / amortisation charge and impairment.

### Television program costs

Television program costs represent unamortised cost of completed television programs and television programs in production. In order to determine the amount to be charged to consolidated statement of profit or loss, the management estimates future revenues from each program. Estimates of future revenues can change significantly due to a variety of factors, including advertising rates and the level of market acceptance of the production in different geographical locations. Accordingly, revenue estimates are reviewed periodically and amortisation is adjusted, if necessary. Such adjustments could have a material effect on results of operations in future periods.

### Income taxes

In making the estimate for income tax payable by the Group, the Group takes into account the applicable tax laws and the decision by appellate authorities on certain issues in the past.

Deferred tax assets are recognized for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

### Impairment of financial assets

The Group uses a provision matrix to calculate ECLs for trade debts and other receivables. The provision rates are based on days past due for Group's various customer that have similar loss patterns

The provision matrix is initially based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust the historical credit loss experience with forward-looking information. For instance, if forecast economic conditions are expected to deteriorate over the next year which can lead to an increased number of defaults in the manufacturing sector, the historical default rates are adjusted. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The information about the ECLs on the Group's financial assets exposed to credit risk is disclosed in note 35.5.

### Contingencies

The assessment of the contingencies inherently involves the exercise of significant judgment as the outcome of the future events cannot be predicted with certainty. The Group, based on the availability of the latest information, estimates the value of contingent assets and liabilities which may differ on the occurrence / non-occurrence of the uncertain future events.

### Leases- Estimating the incremental borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

### Leases- Determination of the lease term for lease contracts with extension and termination options

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has lease contracts that include extension and termination option. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate.

### 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 3.1 Basis of consolidation

Subsidiary is a entity over which the Group has control. Control is achieved when the group is exposed, or has rights, to variable returns from its involvement with the investee and has ability to affect those returns through its power over the investee. Generally, there is presumption that a majority of voting rights result in control.

The Group re-assess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more elements of control.

Subsidiary is consolidated from the date on which the Group obtains control, and continue to be consolidated until the date when such control ceases. Income and expenses of a subsidiary acquired or disposed off during the year are included in profit or loss from the date the Group gains control until the date the Group ceases to control the subsidiary.

The financial statements of the Subsidiary Company are prepared for the same reporting period as the Holding Company, using consistent accounting policies. The accounting policies of the Subsidiary Company have been changed to conform with accounting policies of the Holding Company, where required.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date, any gains or losses arising from such remeasurement are recognised in profit or loss.

Business combinations are accounted for using the acquisition method of accounting. Identifiable assets acquired, liabilities assumed and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date, irrespective of the extent of any non-controlling interest.

The cost of an acquisition is measured as the cash paid and the fair value of other assets given, equity instruments issued and liabilities incurred or assumed at the date of exchange, plus costs directly attributable to the acquisition. Identifiable assets acquired, liabilities assumed and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date, irrespective of the extent of any non-controlling interest. The excess of cost of acquisition is recorded as goodwill, however, if the cost of acquisition is less than fair value of the net assets of the subsidiary acquired, the difference is recognised directly in the profit or loss.

Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired. Impairment is determined by assessing the recoverable amount of the cash-generating unit to which the goodwill relates. Where the recoverable amount of the cash-generating unit is less than the carrying amount, an impairment loss is recognized.

All intra-group balances, transactions and unrealised gains and losses resulting from intra-group transactions and dividends within the Group are eliminated in full.

Non-controlling interest (NCI) is that part of the net results of operations and of net assets of subsidiary attributable interest which are not owned by the Group. The Group measures NCI on proportionate basis of the net assets of subsidiary company.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it derecognises the assets (including goodwill) and liabilities of the subsidiary, carrying amount of any NCI, cumulative translation differences recognised in other comprehensive income, and recognises fair value of consideration received, any investment retained, surplus or deficit in profit and loss, and reclassifies the Holding Company share of components previously recognised in other comprehensive income to profit or loss account or retained earnings, as appropriate.

### 3.2 Business combinations

On 1 May 2023, the Group acquired 100% of the voting shares of Tower Sports (Private) Limited, a non-listed company engaged in the business of providing specialised sports services which include but are not limited to production, sales, marketing and distribution of sports media content.

International Financial Reporting Standard 3, (IFRS 3) "Business Combinations", requires that all identified assets and liabilities acquired in a business combination should be carried at fair values in the acquirer's balance sheet and any intangible assets acquired in the business combination are required to be separately recognised and carried at fair values.

The acquisition has been accounted for by applying the acquisition method in accordance with the requirements of IFRS 3 which allows the acquirer a maximum period of one year from the date of acquisition to finalise the accounting for business combination. Identified assets acquired, liabilities assumed or incurred have to be carried at the fair value as at the acquisition date. The fair valuation exercise is in progress and will be finalised within the period of one year as allowed under IFRS 3. Any adjustment arising at the time of finalisation of this exercise will be incorporated with retrospective effect from the date of acquisition.

### Assets acquired and liabilities assumed

The provisional fair values of the identifiable assets and liabilities of Tower Sports (Private) Limited as at the date of acquisition were:

**Amounts in PKR** 

|  | Provisional fair values recognised on acquisition |
|--|---|
| Assets   |   |

Further, as noted above, the goodwill recorded in the consolidated financial statements is based on provisional figures and does not incorporate adjustments which will be recorded after completion of the fair value exercise of recorded assets and liabilities.

### 3.3 Investment in associate

Associates are all entities over which the Group has significant influence but not control, generally represented by a shareholding of 20% or more but less than 50% of the voting rights. Significant influence is the power to participate in the financial and operating policies and decision of investees. Investments in associates are accounted for using the equity method of accounting and are initially recognised at cost.

The Group's share of its associates' post acquisition profits or losses is recognised in profit or loss and its share in associates' post acquisition other comprehensive income is recognised in the Group's other comprehensive income. Cumulative post acquisition movements are adjusted against the carrying value of the investments. Dividends received from associates reduce the carrying amount of the investment. When the Group's share of losses in associate equals or exceeds its interest in the associate including any other long-term unsecured receivable, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate.

When FVOCI investment is converted into associated company, the balance in the surplus on revaluation of related asset is transferred to un-appropriated profit. Gain on transaction between the Group and its associate are eliminated to the extent of

The carrying amount of the investment is tested for impairment, by comparing its recoverable amount (higher of value in use and fair value less costs to sell) with its carrying amount and loss, if any, is recognised in the profit or loss.

### 3.4 Property, plant and equipment

### 3.3.1 Operating fixed assets

These are stated at cost less accumulated depreciation and impairment, if any.

Depreciation is charged to consolidated statement of profit or loss using straight line method so as to write off the historical cost of the assets over their estimated useful lives. Depreciation on additions is charged from the month in which the asset is available to use and no depreciation is charged for the month in which asset was disposed of.

Maintenance and normal repairs are charged to consolidated statement of profit or loss as and when incurred. Major renewals and improvements, if any, are capitalised when it is probable that respective future economic benefits will flow to the Group.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in consolidated statement of profit or loss in the year the asset is derecognised.

The assets' residual values, useful lives and method of depreciation are revised, and adjusted if appropriate, at each consolidated statement of financial position date.

### 3.3.2 Right-of-use assets

The Group recognises a right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of lease term or useful life, except for the leases in which ownership of the underlying assets transfer to the lessee by the end of the lease term or cost of right of use assets reflects that the lessee will exercise a purchase option, the Group depreciate those right of use asset over the useful life of the underlying asset.

### 3.3.3 Capital work-in-progress

These are stated at cost less accumulated impairment losses and consists of expenditures incurred and advances made in respect of specific assets during the construction period. These are transferred to specific assets as and when assets are available for use.

### 3.6 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is fair value as at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses.

Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life is reviewed at least at each financial year end. The amortisation expense on intangible assets with finite lives is recognised in consolidated statement of profit or loss in the expense category consistent with the function of the intangible asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in consolidated statement of profit or loss when the asset is derecognised.

### 3.7 Television program costs

Television program costs represent unamortised cost of completed television programs and television programs in production. These costs include direct production costs, cost of inventory consumed, and production overheads and are stated at the lower of cost, less accumulated amortisation and net realizable value (NRV). NRV is estimated by the management on the basis of future revenue generation capacity of the program. Acquired television program licenses and rights are recorded when the license period begins and the program is available for use.

Television program costs and acquired television program licenses and rights are charged to expense based on the ratio of the revenues earned till date to total revenues to be earned from the program including future estimated revenues less cost expensed in prior years on an individual program basis.

### 3.8 Inventories

These are valued on weighted average cost basis and are stated at the lower of cost and NRV.

Provision is made for obsolete and slow moving stock-in-trade based on management's best estimate and is recognised in the statement of profit or loss.

#### 3.9 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### i) Financial assets

### Initial recognition and measurement

Under IFRS 9 Financial assets are classified, at initial recognition, as subsequently measured at following:

- (a) at amortised cost
- (b) at fair value through profit or loss (FVTPL); and
- (c) at fair value through other comprehensive income (FVTOCI).

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the business model for managing them. With the exception of trade receivables, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables are measured at the transaction price determined under IFRS 15.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e. the date that the Group commits to purchase or sell the asset.

### (a) At amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### (b) At fair value through profit or loss

Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

A financial asset (unless it is a trade receivable without a significant financing component that is initially measured at the transaction price) is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

### (c) At fair value through other comprehensive income

A debt instruments is measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model with the objective of both holding to collect contractual cash flows and selling; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at FVOCI when they meet the definition of equity under IAS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into following categories:

- Financial assets at amortised cost (debt instruments).
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- Financial assets at fair value through profit or loss

#### Financial assets at amortised cost (debt instruments)

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

### Financial assets at fair value through profit or loss

Financial assets at FVPL include financial assets held for trading, financial assets designated upon initial recognition at FVPL, or financial assets mandatorily required to be measured at fair value. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortised cost or at FVOCI, as described above, debt instruments may be designated at FVPL on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at FVPL are carried in the consolidated statement of financial position at fair value with net changes in fair value recognised in consolidated statement of profit or loss.

This category also includes derivative instruments and listed equity investments which the Group had not irrevocably elected to classify at FVOCI. Dividends on listed equity investments are also recognised as other income in profit or loss when the right of payment has been established.

### Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments)

These assets are subsequently measured at fair value. Interest income, foreign exchange revaluation and impairment losses or reversals are recognised in the consolidated statement of profit or loss and computed in the same manner as for financial assets measured at amortised cost. The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value change recognised in OCI is recycled to profit or loss.

### Financial assets at fair value through OCI with no recycling of cumulative gains and losses (equity instruments)

These assets are subsequently measured at fair value. Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in the consolidated statement of profit or loss when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

As at the date of consolidated statement of financial position, Group is not having any equity instrument designated at fair value through OCI.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's consolidated statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of its continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

### Impairment of financial assets

The Group recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade debts, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

### ii) Financial liabilities

### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the consolidated statement of profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Group has not designated any financial liability as at fair value through profit or loss.

### Financial liabilities at amortised cost

After initial recognition, borrowings and payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the consolidated statement of profit or loss.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting date. Exchange gain or losses arising in respect of borrowings in foreign currency are added to the carrying amount of the borrowings.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the consolidated statement of profit or loss.

### 3.10 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### 3.11 Advance from customers (Contract Liability)

A contract liability is the obligation of the Group to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liability are recognised as revenue when the Group performs under the contract.

### 3.12 Impairment of non-financial assets

The carrying amounts of non-financial assets are assessed at each reporting date to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, if any. An impairment loss is recognised, as an expense in consolidated statement of profit or loss and other comprehensive income. The recoverable amount is the higher of an asset's fair value less cost to disposal and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets for which the estimate of future cash flow have not been adjusted. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

#### 3.13 Deposits, advances, prepayments and other receivables excluding financial assets

These are initially recognised at cost, which is the fair value of the consideration given. Subsequent to initial recognition assessment is made at each consolidated statement of financial position date to determine whether there is an indication that assets may be impaired. If such indication exists, the estimated recoverable amount of that asset is determined and any impairment loss is recognised for the difference between the recoverable amount and the carrying value.

### 3.14 Current versus non-current classification

The Group presents assets and liabilities in the consolidated statement of financial position based on current/non-current classification. An asset is current when it is:

- · Expected to be realised or intended to be sold or consumed in the normal operating cycle
- · Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period

Or

• Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- · It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period

Or

• There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### 3.15 Taxation

### Current

Provision for current tax is based on the taxable income in accordance with the applicable laws.

### Deferred

Deferred tax is recognised using the balance sheet liability method, on all major temporary differences arising at the consolidated statement of financial position date between tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that the future taxable profits will be available against which the assets may be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The carrying amount of deferred tax asset is reviewed at each consolidated statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recognized.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the consolidated statement of financial position date.

### 3.16 Cash and cash equivalents

These are carried at cost. For the purpose of consolidated statement of cash flows, cash and cash equivalents comprise of cash in hand, bank balances and short-term running finance.

### 3.17 Share capital and reserves

Ordinary shares are classified as equity and recognized at their face value. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds. Reserves comprise of unappropriated profit and share exchange reserve.

### 3.18 Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### 3.18.1 Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

### i) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the termination option is reasonably certain to be exercised. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments at the lease commencement date, the Group uses the interest rate implicit in the lease. In case where the interest rate implicit in the lease is not readily determinable, the Group uses its incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

### ii) Determination of the lease term for lease contracts with extension and termination options

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation of the leased asset).

### iii) Estimating the incremental borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

### iv) Short-term leases

The Group applies the short-term lease recognition exemption to its short-term leases of office premises (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

### 3.19 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred and subsequently carried at amortised cost using the effective interest method.

Borrowings are classified as current liabilities unless the Group has an unconditional / contractual right to defer settlement of the liability for at least twelve months after the consolidated statement of financial position date.

### 3.20 Government Grant

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. As the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

#### 3.21 Unclaimed and unpaid dividend

Dividend declared by the Group, in the preceding three years, which remains unclaimed or unpaid as on the consolidated statement of financial position date is recognized as unpaid dividend. Dividend declared and payable prior to the preceding three years from the consolidated statement of financial position date are recognized as unclaimed dividend.

### 3.22 Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each consolidated statement of financial position date and adjusted to reflect the current best estimate.

#### 3.23 Revenue recognition

Advertisement revenue is recognised when the related advertisement or commercial appears before the public i.e., aired.

Production revenue: Production revenue is recognised when production work appears before public.

Digital revenue: Advertising revenues from digital properties are recognized on the basis of number of impressions on the advertisement aired on website.

Subscription income arises from the monthly billing to subscribers for services provided by the Group and from digital avenues based on number of views. Revenue is recognised in the month the service is rendered.

Film Distribution revenues: Revenue from film distribution is recognized at a point in time upon receipt of related sales reports from cinemas.

Sale of goods are recognized when goods are delivered to customers.

Sale of magazines: Revenue is recognised on dispatch of magazines.

Credit limits in contract with customers ranges from 2 to 90 days.

### 3.24 Other income

Sale of magazine and DVD's is recognized on receipt basis.

Profit on bank deposits is accounted for on effective interest method.

Dividend income is recognized when it is declared and right to receive is established.

Interest / markup income is recognized on accrual basis.

Other revenues are accounted for on an accrual basis.

### 3.25 Expenses

Expenses are recorded when incurred based on the accrual basis of accounting. Distribution costs and administrative expenses include direct and indirect costs not specifically part of cost of production. Allocations between cost of production, distribution and administrative expenses, when required, are made on a consistent basis.

### 3.26 Donation

Donations are recorded as an expense when they are approved by the Board of Directors or actually paid, whichever is earlier.

#### 3.27 Staff retirement benefits

#### Defined contribution plan

The Holding Company operates a funded and approved provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Holding Company and the employees, to the fund at the rate of 8.33% of the basic salary.

### 3.28 Foreign currency translations and translations

Foreign currency transactions are translated into Pakistani Rupees using the exchange rates ruling at the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees using the exchange rate at the consolidated statement of financial position date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at the year end exchange rates of monetary assets and liabilities denominated in foreign currencies are taken to consolidated statement of profit or loss.

The assets and liabilities of foreign subsidiary companies are translated to Pak rupees at exchange rates prevailing at the consolidated statement of financial position date. The income and expenses of foreign subsidiary companies are translated at average rate of exchange for the year. Translation gains and losses arising on the translation of net investment in foreign subsidiary companies are taken to equity under "Foreign Exchange Translation Reserve" and on disposal are recognised in the consolidated statement of profit or loss.

### 3.29 Borrowing costs

Borrowing costs that are directly attributable to the acquisition and construction of assets and incurred during the period in connection with the activities necessary to prepare the asset for its intended use are capitalised as a part of the cost of related asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

#### 3.30 Dividend and appropriation to reserves

Dividend and appropriation to reserves are recognized in the consolidated financial statements in the period in which these are approved.

### 3.31 Contingencies

Contingencies are disclosed when the Group has a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

### 3.32 Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Holding Company by the weighted average number of ordinary shares outstanding during the period.

### 3.33 Functional and presentation currency

These consolidated financial statements are presented in Pakistani Rupees, which is the Group's functional and presentation currency.

### 3.34 Segment Reporting

Segment reporting is based on the reporting operating (business) segments of the Group. An operating segment is a component of the Group that engages in business activities from which it may earn revenue and incur expenses. An operating segment's operating results are reviewed regularly by the senior management of the Group to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

- 29.1 The Holding Company has filed its return of income up to tax year 2022. The returns so filed are deemed to be an assessment order issued by the Taxation Authorities on the date the complete return is filed. The Holding Company was mainly subject to minimum tax during the year ended 30 June 2021 under section 153(1)(b) of the Income Tax Ordinance 2001, therefore, relationship between income tax expense and accounting profit has not been presented.
- 29.2 During the year 2017, Deputy Commissioner Inland Revenue issued a show cause notice to the Holding Company, for the tax year 2014, showing an intention to disallow the deduction claimed on account of agency commission on alleged non-deduction of tax on such agency commission. The Holding Company filed a suit before the Hon'ble High Court of Sindh challenging the above showcause notice.

Based on a recent judgement of the Hon'ble Supreme Court of Pakistan, suits filed by taxpayers are not to be maintained unless 50% of the tax due is deposited by the petitioners. In compliance to the above order, the Holding Company has deposited an amount of Rs. 24,395,012 into the Government treasury. The decision in respect of the Suit filed by the Holding Company is still pending. The management, based on the legal advice, is confident that the ultimate outcome will be in favor of the Holding Company and accordingly, no provision has been made in this respect in these consolidated financial statements.

- 29.3 During the year ended 30 June 2022, the Assistant Commissioner Inland Revenue (ACIR) passed an order under section 122(1) of the Ordinance for the tax year 2017 whereby tax demand of Rs.771,644,957 was raised. The Holding Company challenged the above order before the Commissioner Inland Revenue (Appeals). The CIR(A) pursuant to the above appeal has decided majority of the issues in favor of the Holding Company. Furthermore, issue of additions to fixed assets has been remanded back for verification whereas disallowance in respect of unpaid creditors and accrued liabilities, loss on disposal of fixed assets and levy of super tax under section 4B has been confirmed. The Holding Company has filed further appeal in respect of the confirmed issues before the ATIR, which is pending adjudication.
- 29.4 The Group had received a notice dated October 26, 2016 for Tax Year 2014 issued u/s 122(5A) of Income Tax Ordinance, 2001 from Additional Commissioner Inland Revenue (Addl.CIR) which had required the Group to provide information/details. The Group through its AR provided all the required data/information/documents along with supporting reconciliation through various letters.

The Addl. CIR passed an order on June, 24 2020 making total additions/disallowances of Rs. 942,168,796 under various heads, which resulted into outstanding tax demand of Rs. 320,895,069.

In contrast, the Group filed an appeal before the first Appellate forum i.e. Commissioner Inland Revenue Appeal - III, Karachi who after consideration deleted the additions amounting to Rs. 2,217,579 whereas the remaining additions to be remanded back to Addl. CIR with instructions to re-examine the submission of AR and reconsider the facts of the case.

Still being aggrieved from Appellate order the Group has filed an appeal before the Honourable Appellate Tribunal Inland Revenue which is pending for hearing date.

- 29.5 The Group received notice under Section 221 of the Ordinance for the Tax Year 2019 by the Assistant/Deputy Commissioner Inland Revenue, requiring the Group to provide an explanation in respect of adjustment of refunds claimed without determination of refunds under section 170 of the Ordinance by passing an order under section 221(1) of the Ordinance raising a demand of Rs. 147,392. Being aggrieved from the aforesaid order, the company filed an appeal before Commissioner Inland Revenue, Appeals III, Karachi, which is pending for adjudication till date.
- 29.6 The Group received a notice dated 23-04-2015 from Assistant commissioner Inland Revenue (ACIR), issued u/s 161/205 read with section 153(1)(b) further read with section 182(1)(15) of the Ordinance for the Tax Year 2015 wherein ACIR has considered the retrospective application of withholding tax rates enhanced for non-filer through S.R.O. No. 136(I)/2015 dated 13-02-2015 in respect of Section 153(1)(b) of the Ordinance and asked the Group to pay short deduction of Rs. 246,144/- and intended to levy default surcharge of Rs. 35,075/- on aforesaid short deduction.

The Group through its AR's letter has contested that no statue shall be construed to have retrospective operation. No further correspondence has been received from Tax Department till date.

### 35 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's activities expose it to a variety of financial risks i.e. market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk. The Group's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Group's financial performance.

The Group's senior management oversees the management of these risks. The Group's senior management provides policies for overall risk management, as well as policies covering specific areas such as foreign exchange risk, interest rate risk and credit risk, use of financial derivatives, financial instruments and investment of excess liquidity. It is the Group's policy that no trading in derivatives for speculative purposes shall be undertaken. The Board of Directors review and agree policies for managing each of these risks which are summarized below:

### 35.1 Market risk

Market risk is the risk that fair value of future cash flows will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk. currency risk and equity price risk, such as equity risk.

### 35.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of financial instruments will fluctuate because of changes in the market interest rates. The Group's interest rate risk arises from finance lease obligations, short-term borrowings and bank balances. The Group manages these risks through risk management strategies.

### Sensitivity analysis:

The following figures demonstrate the sensitivity to a reasonably possible change in interest rate, with all other variables held constant, of the Group's profit before taxation:

### 35.3 Currency risk

Foreign currency risk is the risk that the value of financial assets or financial liabilities will fluctuate due to a change in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions in foreign currencies. The Group's exposure to foreign currency risk is as follows:

|                          | 2023      |          |           | 2022      |           |           |

### 35.4 Equity price risk

The Group's investments are susceptible to market price risk arising from uncertainties about future values of investment securities. The Group manages the equity price risk through diversification and placing limits on individual and total investments. Reports on the investment portfolio are submitted to the Group's senior management on a regular basis.

As of the statement of financial position date, the exposure to investments at fair value through profit or loss was Rs. 638,670,865 (2022: Rs. 1,127,212,684).

### 35.5 Credit risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Concentration of credit risk arise when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

The Group is mainly exposed to credit risk on trade debts and bank balances. The Group seeks to minimize the credit risk exposure through having exposures only to customers considered credit worthy and obtaining securities where applicable.

### Management of credit risk

The Group's policy is to enter into financial contracts in accordance with the guidelines set by the Board of Directors and other internal guidelines.

Credit risk is managed and controlled by the management of the Group in the following manner:

- Credit rating and / or credit worthiness of the counterparty is taken into account along with the financial background so as to minimize the risk of default.
- The risk of counterparty exposure due to failed agreements causing a loss to the Group is mitigated by a periodic review of their credit ratings, financial statements, credit worthiness and market information on a regular basis.

- Cash is held with reputable banks only.

As of the consolidated statement of financial position date, the Group is exposed to credit risk on the following assets:

### 35.6 Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group applies prudent risk management policies by maintaining sufficient cash and bank balances and by keeping committed credit lines. The table below summarizes the maturity profile of the Group's financial liabilities as at the following reporting dates:

### 35.6.2 Fair value of financial instruments

The carrying values of all financial assets and liabilities reflected in the consolidated financial statements appropriate their fair values.

### 35.7 Capital risk

The Group finances its operations through equity, borrowings and management of working capital with a view of maintaining an appropriate mix between various sources of finance to minimize risk. The primary objective of the Group's capital management is to ensure that it maintains healthy capital ratios in order to support its business, sustain future development, and maximize shareholders' value. The Group monitors capital using a debt equity ratio as follows:

### 35.8 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The carrying values of all financial assets and liabilities reflected in the consolidated financial statements approximate their fair values.

The following table shows assets recognised at fair value, analysed between those whose fair value is based on:

Level 1: Quoted prices in active markets for identical assets or liabilities,

Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3: Those whose inputs for the asset or liability that are not based on observable market data (unobservable inputs).

### Assets measured at fair value
